RMC Box Office Movie Review - Good Newws

Its a good comedy does more than make you smile. It keeps you hooked till the very end, even though you may know what's coming.

It's cheesy and predictable, but Good Newwz balances its drama with plenty of laugh-out-loud moments to keep a constant stream of humour coming in, and never straying from its core plot. Good Newwz accommodates solid roles that let its four lead stars, essaying the two sets of

Batras. Akshay Kumar and Kareena are genuinely funny and Diljit Dosanjh and Kiara Advani tend to overdo the loud Punjabi act, but manage a few laughs along the way. The mandatory mummy-daddies, chachis and mausis (necessary to nag the couples for a child) are neatly done away with after formal footage in the early parts, allowing more of the screenplay to focus on the four main players of the comic drama.

Rating 3 /5.

1st January i.e. "New Year Day" is celebrated as biggest celebration in the world. Before the New Year 2020 begins, I want all my students to set up their goals. Your Goals for next year is to achieve good grades and get good study habits, you should be very focused and ready to begin New Year.

Five Action plans to make year 2020 your best are:-

1) Set Goal: - You have to start the actions right now for that you should be in good form. Build your momentum and start right now. Your Goal should be to achieve good grades and make a good study habit make a resolution that you will attend all the college lectures attentively.

2) Forget the past: - Whatever has happened in past forget it and start newly. Now you are more mature, experienced, serious and smarter than last

year. Your past cannot determine your future. You have to remove your subconscious blockages and think positive, set your new goals and work harder and smarter to achieve them.

3) Visualization and affirmation :- Visualise your dreams and goals and think you have already achieved them. There is a law of attraction "whatever you think will come to you" Think always positive, that you have achieved your goals,

add faith and emotions to your thinking and have faith in God. **4) Intelligent goal setting** :- Set your goals for 2020, convert them into monthly plan, monthly to weekly plan and weekly to per day plan. Setup your priority and do work on daily basis. Add "SPARK" to your goals. Goals should excite you to get up fresh in the morning. If they don't excite you change your goals setting process. Set your goals and start your actions from today

onwards. Set your goals which are achievable.

5) Review: - Review your goals by monthly system. Analyse yourself that whether I have achieved my monthly target or not. Setup new steps to achieve them. Be grateful for what you already have while you pursue your goals. Setting goals gives you something to work forward in life, brings confidence in you and gives you clarity in decision making.

Ho! Ho! Ho! Here Comes Dear Santa at RMC to Wish Everyone Merry Christmas and a Happy New Year 2020...!

Christmas Party was organized at Reena Mehta College on 24th December 2019.

Christmas is that time of the year when we spread joy and happiness all around. It is said that the child in us should never grow up. Keeping this in mind, our very own Santa Clause came to entertain and distribute gifts to the RMC staff.

The beautiful Christmas tree was decorated and placed in the college auditorium and was loaded with gifts for all.

Vice-Chairman of RMC, Mr. Narendra Mehtaspoke also enlightened the audience

on the meaning of Christmas and the origin of Santa. Not many of us knew that Santa Clause was actually Saint Nicholas who loved to surprise people and distribute gifts to the needy. In order to keep the traditions alive, St Nicholas every year comes in the form of Santa Clause and pleases each one of us around.

Christmas as we know is the birth of Jesus Christ at Bethlehem. Jesus was born in a stable to Mother Mary.

Santa Clause, as always with an intention to spread smiles spread happiness and entertained all of us thoroughly. Entire RMC campus was in celebrating mood.

At the end, cake cutting, gifts distribution & games were arranged for the staff. We hope that the new year 2020 brings lot of joy and happiness to the entire RMC family. Wish you all a great year ahead. Happy New Year 2020!
