' REPOR ON BLOOD DONATION CAMP''

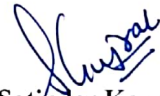

Reena Mehta College of NSS Cell organized a blood donation camp in the college campus. The timing was from 9 am to 2pm. However, I instructed all volunteers to reach college at 7 am, and they did. Blood donation teams reached at 9 am and started all the medical setup. We strictly followed the norms of Covid-19 during the blood donation camp. The college also organized a poster making competition and the winner will get a certificate i.e. Aakansha Rai.

We collected **23 units** of blood from 23 donors including students, NSS volunteers, college faculties and Peons. Some participants were rejected due to health issues. Certificates were issued to all donors with refreshments i.e. sandwich. The blood donation agency provided T-shirts with the NSS and college logo and refreshments to NSS active Volunteers. The NSS volunteers also prepared a poster with a slogan to encourage blood donation.
