## “Report on International Youth Day”

NSS cell of Reena Mehta college organised **INTERNATIONAL YOUTH DAY** for 2021 on Thursday 12, 2021 at college Auditorium with strictly follow Covid-19 rules i.e., wearing masks and maintain distance. Theme of International youth day for 2021 is **"TRANSFORMING FOOD SYSTEMS"**.

On this occasion, college conducted Essay competition and oath ceremony. More than 12 NSS volunteers was participated in this event. The Essay competition on **"YOUTH INNOVATION FOR HUMAN AND PLANETARY HEALTH"** was organised in college class room with maintained proper distance i.e., one bench one student and first winner was awarded by certificate. The winner of essay writing was Abrar Faruqui.

After essay writing, NSS program officer and NSS volunteers was taken tenth Oath on **"ROLE OF YOUTH IN NATION BUILDING"**.

Where following Oath was taking by NSS volunteers:

- 1) I will not support any religious, cast or language differentiation.
- 2) I take oath to consider humanity as the greatest religion.
- 3) I take oath to be more accepting and tolerant.
- 4) I will try to make a corruption free society.
- 5) I promise to help and maintain cleanliness of society.

- 6) I promise to adopt cleanliness as my nature.
- 7) I take an oath to be a good citizen of my country and a good member of family.
- 8) I will always try to save or better someone life.
- 9) I will try to spread awareness of not to take bribe.
- 10) I promise to say no to injustice and I will always support justice.

They highlighted the significant role of youth in eradicating social evils and development of India as a superpower.

Speaking on the occasion, NSS Program officer said that India had the largest population of youth in the work, a potential which needs to be used for nation-building and today, India is one of the youngest nations in the world with more than 62% of its population in the working age group (15–59 years), and more than 54% of its total population below 25 years of age. It is further estimated that the average age of the population in India by 2020 will be 29 years as against 40 years in USA, 46 years in Europe and 47 years in Japan.
