

PLACEMENT CELL ANNUAL REPORT

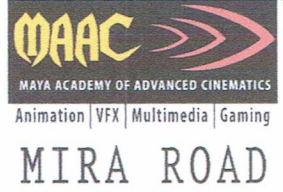

Academic Year: 2021-2022

The Placement Cell of Reena Mehta College operates round the year to provide job opportunities to the third-year students and internships to all the college students. It serves as an interface between the students and the Corporates. We aim to invite companies from various fields in order to make a range of opportunities available for the students of all courses. The Placement Cell has had another fruitful year of placements and internships as several regular and new companies visited the campus for the recruitment drive.

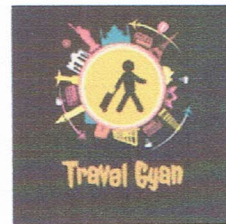

The Cell also organizes talks, workshops, and competitions to equip students with life skills and to provide career guidance about the avenues open after graduation. We had a Session on 'Interview Techniques & Education Counselling and other additional support to students.
