**TOPIC:** - EXCEL like never before

**DATE & DAY:** - 18th May, 2020 (Monday)

**TIME:** - 5:00 pm to 6:00 pm

**VENUE:** - Zoom Meeting.

**IQAC department** of Reena Mehta College of Arts, Science, Commerce and Management Studies in association with in association with LeapUp Edutech is organising a Free National Level Webinar on the topic: EXCEL like never before. We had Mr. Jatan Shah (Microsoft Certified Excel Expert) for the national level webinar. The objective of the webinar was to create awareness and understanding on how powerful Microsoft Excel is as a software, How Excel can make your work easier and more efficient and Move beyond the basics of Excel and know about the advanced functions it has to offer

Learning Excel improves job opportunities if you lack educational experience. Keeping this objective in mind the webinar was organized for students across the nation where speaker covered the various areas like;

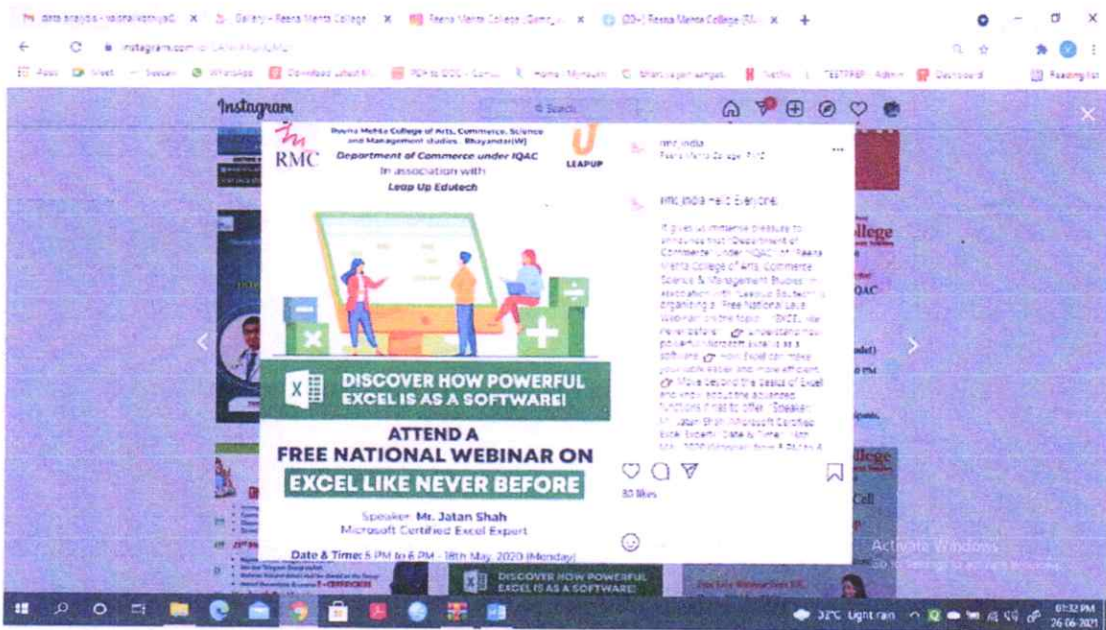

1. Creating a new spreadsheet from scratch.
2. Executing basic computations like adding, subtracting, multiplying, and dividing.
3. Writing and formatting column text and titles.
4. Using Excel's auto-fill features.
5. Adding or deleting single columns, rows, and spreadsheets. Below, we'll get into how to add things like multiple columns and rows.
6. Keeping column and row titles visible as you scroll past them in a spreadsheet, so that you know what data you're filling as you move further down the document.
7. Split up text information between columns.
8. Use formulas for simple calculations.

The webinar was kept open for question and answer where participants clarified their doubts and finally vote of thanks which was given by Mr. Amit Gupta.
