History

Jeevan Jyot Education Charitable Trust was established by the Founder and Chairperson **Mrs. Reena Mehta** in 1997 with an aim of impacting quality education to the students of suburban Mumbai with a particular focus on Mira-Bhayander.

Today Jeevan Jyot Education Charitable Trust is the parent body of Reena Mehta Junior College of Commerce and Science, approved by the Maharashtra State Board of Secondary and Higher Education, Pune and Reena Mehta College of Commerce and Management Studies which is affiliated to the University of Mumbai.

The trust which started in 1997 with only 40 students, now has more than 3000 students, and is increasing year on year.

In 2002-03, the trust received permission from Maharashtra board to run Reena Mehta Junior College of Commerce and Science. In 2003-04 Reena Mehta College of Commerce and Management Studies was established.

Reena Mehta College offers a wide range of programs at graduate level, all of which are affiliated to University of Mumbai. Our programs include Bachelors of Commerce (B.Com), Bachelors of Arts (B.A), Bachelors of Commerce in Accounting and Finance (B.A.F), Bachelors of Management Studies (B.M.S), Bachelors of Banking and Insurance (BBI), Bachelors of Mass Media (BAMMC) and Bachelors of Science in Information Technology (BSc.IT), Bachelors of Science (B.Sc), Bachelors of Science (Data Science), and Bachelors of Science in Hospitality Studies and other Diploma Courses.

PG Course: A) M.Com with Specialization in:

- 1) Advance Accountancy 2) Business Management
- 3) E-Commerce

B) Post graduate diploma in Business Management (PGDM) with Specialization in:

- 1) Sales & Marketing 2) Human Resources 3) Finance
- 4) Digital Marketing 5) Business Analytics.

The Vision of the institute is to be one of the best colleges in Mumbai and Thane at the graduate level.

AIMS & OBJECTIVES

“The aim of education should be to teach us rather how to think, than what to think--rather improve our minds, so as to enable us to think for ourselves, than to load the memory with thoughts of other men.”

- *Bill Beattie*

**THE AIM OF EDUCATION
AT ANY COLLEGE IS NOT JUST
THE KNOWLEDGE OF FACTS,
BUT ALSO OF VALUES.**

Keeping this in mind, **Reena Mehta College** aims to equip students with knowledge and skills in their chosen stream, instill values, identify hidden talents, and provide opportunities for students to realize their full potential. The college aims to shape students future leaders, entrepreneurs, and above all, good human beings.

GREAT KNOWLEDGE IS A GIFT, GIFTS HAS RIBBONS, **NOT STRINGS.**

There is only one education and it has only one goal: The freedom of the mind.

Reena Mehta College It aims to:

1. Provide an educational institute promoting global thinking consistent with national interest.
2. Develop the knowledge, skill and most importantly, the character of student.
3. Create and sustain an academic environment conducive to academic and professional excellence.
4. Foster an enterprising spirit among the students.
5. Facilitate the all round development of the students and ensure progressive development of innate abilities.
6. Promote the social aim of producing effective individuals who realize their responsibilities towards society.
7. Provide holistic education in academic and extra curricular activities.
8. Provide excellence in commerce and business education at the undergraduate level.
9. Give the students the breadth of knowledge and the depth of experience.
10. Equip students with advance knowledge, latest skills and modern techniques in their chosen discipline.
11. Prepare students for life and work in a competitive, fast paced environment.

FOUNDER & CHAIRPERSON

The past years has seen a surge of thinking and development in RMC regarding our academic provision.

Jeevan Jyot Educational Charitable trust (JJECT) was established in the year 1997 and has acted as a parent body to Reena Mehta College (RMC) which started in 2003, and Reena Mehta Junior College, both of which are approved by the education department and affiliated with the University of Mumbai respectively. It's a one stop educational institute.

At RMC, The undergraduate and junior college students, particularly those with a real desire for success, are highly valued, supported and rewarded. We have specialized academic staff who are dedicated to their student's progress.

The learning environment we offer to our graduate students is an invitation to explore, analyze, and build upon higher-level ideas, provided by expert academic staff.

For RMC's ambitions, this opportunity is seized firmly with an eye on the future. Most of our students have distinct career goals, and we are looking forward to driving these goals towards achievements.

Mrs. Reena Mehta
reenamehta@rmc.edu.in

VICE- CHAIRMAN

We continue to nurture a spirit of inquiry, discovery and action at RMC. We are trying to create a new approach to learning, teaching and research, and extend the boundaries of knowledge. RMC stands on its excellence and we strive to set standards every year.

We believe that the quality of education will determine the growth & success of our nation, so it's indeed important to create global citizen, an aim which can be achieved through the determination and dedication of our highly qualified & experienced staff.

The staff and students of RMC have a wealth of expertise and potential and a keen appetite for success. In particular, we value our degree and junior college staff for the rich contribution they make to both the academic, life and culture of our institution. At RMC, we are committed to improving the facilities used by our staff and students in their work.

RMC was established to create a new model for higher education and to produce the minds that would shape the modern industrial world.

Graduate activity plays a significant role in the development of RMC and we expect to come forward and be a part of the change.

I would like to welcome you to RMC, there's much more beyond academics.

Dr. Narendra Mehta

(Ph.D., M. Sc., B. Ed, D.B.M., LLB)

narendramehta@rmc.edu.in

TRUSTEE

I have joined RMC after completing my M.Sc in International Business from Aston University, UK and MMS and obtaining my BMS degrees from Mumbai University.

After gaining International exposure and researching International education, I can confidently say that at RMC, we not only sure that our students are industry-ready but also ready to face international competition. At RMC, we equip students with industry-relevant knowledge and all the skill sets required to adapt to changes at work. our aim RMC is to impart excellence to our students.

All our lectures are based on practical sessions followed by theoretical sessions, which help students understand the practical application of the education imparted at the college level. The proportion of theoretical and practical sessions is generously complemented by regular workshops and seminars on industry trends and emerging technologies. We also have extra curricular courses as a part of our regular academic schedule.

At RMC, we believe in team work and with the help of our students and teachers we will outshine.

Dr. Sunny Mehta

- APJ ABDUL KALAM

PRINCIPAL

Reena Mehta Degree College was founded in 2003 by the dynamic personality Mrs. Reena Mehta with the aim of providing value based education that helps create progressive and positive citizens.

Our college strongly adheres to the philosophy of its founder, Mrs. Reena Mehta, who believed that true education should focus primarily on disciplining the mind, body and spirit.

I believe that in order to be successful in this competitive world and face the emerging challenges of the future it is of utmost importance to receive quality education and that is exactly what Reena Mehta College intend to provide to its students.

Our committed faculty nurtures the aspirations of young students to excel academically and lay the foundation of learning. Regular lectures are supplemented with a number of guest lectures by industry experts.

I feel proud to announce that RMC has received A grade with 3.04 CGPA in the second cycle of NAAC and is also ISO Certified 9001-2015.

My best wishes to all new entrants to Reena Mehta College.

Dr. Mrs. Satinder Kaur Gujral

(D. Litt., Ph.D., M.B.A., B. Ed, M. Com, M.A.)

drgujral@rmc.edu.in

JR. COLLEGE PRINCIPAL

It's my privilege to introduce myself as the Principal of Reena Mehta Jr. College and an honor to have been working with RMC from last 12 years. I had a core educational belief that our main purpose is to work with parents to provide students with improved life chances; supporting them to develop into self-reliant, life-long learners.

This not only maximizes their chances of academic success but also provides them with a solid foundation to be successful in every area of their life. By choosing RMC, you are choosing a college with a reputation for success and for academic and extracurricular achievement.

Our staff members take a real interest in the development of our pupils and work hard to prepare them for the next stages of their education and their lives. The daily programme of the college benefits our pupils by providing a structure within which the various educational, sporting, cultural and personal development can progress.

Values of respect, honesty and commitment have a place in every society, and we endeavour to foster these values in our pupils, as well.

Mrs. Sabiha Vakani

(M. Com (Mgt.), B. Ed)

sabihavakani@rmc.edu.in

INTRODUCTION TO REENA MEHTA COLLEGE

An education system isn't worth much if it teaches young people how to make a living but doesn't teach them how to make life.

Reena Mehta College of Commerce and Management Studies with Jeevan Jyot Trust as its parent organization was established in the year 2003 by the founder and chairperson Mrs. Reena Mehta. At present the college conducts Bachelor of Commerce (B.Com), Bachelor of Arts (BA), Bachelor in Accounting and Finance (BAF), (BAMMC) Bachelor of Science in Information Technology (BSc.IT) and Bachelor of Management Studies (BMS) Bachelor of Commerce in Banking and Insurance (BBI). Bachelors of Science (B.Sc.) Bachelors of Science (Data Science) and Bachelors of Science in Hospitality Studies. All the courses taught are affiliated with the University of Mumbai.

PG Course: A) M.Com with Specialization

1) Advance Accountancy 2) Business Management, 3) E- Commerce

B) Post Graduate diploma in Business Management (PGDM) with specialization

1) Sales & Marketing 2) Human Resources 3) Finance 4) Digital Marketing 5) Business Analytics.

Reena Mehta College concentrates on the path of providing "Holistic" and "Quality" education to individual students. We are committed to providing the students with the necessary environment and support to their career planning and advancement. While ensuring academic and co-curricular facilities, we are also conscious of our role as a constructive and responsible component of the larger society.

We at Reena Mehta College believe that teaching is the art of simplifying knowledge and informing without diluting it. Our commitment nurtures the aspirations of our young students to excel academically and also lay the foundation for life long learning.

We Are delighted To announce the admission procedure for the following diploma courses:

Diploma in Hospitality Studies

Diploma in Fashion Designing

Diploma in Interior Designing.

EDUCATION IS ...

A SOCIAL PROCESS

BACHELOR OF MANAGEMENT STUDIES (BMS)

For the future managers or the next generation business tycoons...

Introduction:

A three year degree programme is divided into six semesters, taught by full time and visiting faculties who are experts in their subjects. The college is committed to provide in-depth training using the latest equipment in computers, solving case studies, practical experience and industrial visits. The degree aims to develop a range of business knowledge and skills, together with the self awareness and personal development appropriate to management careers. The programme is designed to give a thorough grounding in the basic management disciplines followed by a series of more specialised options during third year.

Features:

- The course prepares student to exploit opportunities in the management profession.
- The course gives adequate exposure to operational environment in the field of management and inculcates training in the use of modern technology for the benefit of student and Industry by providing them with suitable trained persons.

Programme Content:

BMS is a full-time rigorous course covering 40 subjects in three years which covers areas of Management like Finance, Law, Economics, Accounting, HR Management, Marketing, Operations Management, Organizations Behaviour, etc. The course provides comprehensive and

practical management training to students by way of interaction, projects, presentations, industrial visits, practical training, and lectures by professionals. From the second year itself, the students can specialize in three major fields of management, viz. Human Resources, Finance, and Marketing, making them compatible to the opportunities that exists in the internal environment and expertise in a particular field.

Future Prospects:

The course gives a brief understanding on various areas of management helping to create middle cadre management personnel and an upcoming manager.

Students who complete the course are expected to have lucrative employment opportunities in private, corporate sector in export-import departments, governmental organizations, all India institutions like Export-Import, Commercial banks, Financial Institutions, Multinational companies in India and abroad. The students can start their own consultancy, export-import units in foreign trade.

After Completion of the course a student can pursue a masters degree which complements their area of interest.

Eligibility:

A Student eligible for admission to the BMS degree course shall have passed HSC or its equivalent in single attempt and should have secured not less than 45% marks, in case of students belonging to open category and not less than 40% marks, in the case of students belonging to reserved category.

6.5 HRM in Service Sector Management
6.6 Workforce Diversity

BACHELOR IN BANKING AND INSURANCE (BBI)

For all those who aspire to expertise in banking and insurance sector

Introduction:

B.Com in (Banking and Insurance) has been designed in such a way that provide deep insight into the real world of Banking & Insurance through theory & practical service.

The globalization of business and the integration of financial markets implies that banking is increasingly an international business. The course develop the concepts and skills that are required by financial analyst operating in this environment. The course also provide an understanding of contemporary financial problems and issues faced by banks and insurance companies.

Features:

- Develops skills in data handling and quantitative techniques.
- In-depth study of well-defined problem in money, banking and finance.
- Prepare student to explore opportunities being created, in the field of Banking and Insurance due to globalization, privatization and liberalization.
- The course develops student's ability to interpret and critically evaluate banking theories by enhancing their capacity to communicate ideas and arguments.

Programme Content:

B.Com in banking and insurance is full time rigorous course covering about 40 subjects in three years. It covers various subject like Principles of Banking & Insurance, Financial Market, Taxation, International Business etc. The course provides comprehensive and practical Training to student through projects, presentations, industrial visits, and lectures by professionals to understand the dynamics of finance in a better way.

Future Prospects:

After completion of the course, the student would have acquired the necessary competence to work with Banks, Insurance companies and Financial Institutions. It has been estimated that more than 6 lacs professional will be added in next 5-6 years in financial sectors, thereby creating a gap which can be filled by the newly graduated students. After completion of the course a student can also pursue a masters degree related to their area of interest.

Eligibility:

A student who has passed XII standard from any recognized board with at least 45% marks in aggregate (40% in case of reserved category) in one and the same sitting.

BACHELOR OF COMMERCE IN ACCOUNTING & FINANCE (BAF)

For all those who are crazy about accounts and numbers...

Introduction:

B.Com with Accounting and Finance is a three year course designed to develop an understanding of Management Accounting, Financial Accounting, Taxation etc. The course aims at imparting broader financial knowledge to students by which they can manage projects, business modeling and have a hands-on accounts & finance.

Features:

- Develops skills in data handling quantitative techniques.
- By the end of the course student will not only have highly – valued expertise in accounting and finance. They will also have high level skills in thinking and problem solving.
- The students will be involved in case studies and activities which give insight of the real world application.

Programme Content:

B.Com in Accounting and Finance is a full time rigorous covering about 40 subject in three years. It covers subjects like Financial Accounting, Management Accounting, Taxation, Auditing etc. The course provides comprehensive and practical training to students by way of internship, project, presentation, industrial visits and lectures by professionals.

Future Prospects:

After completion of the course, the degree qualification opens up opportunities in financial sector and the students can pursue master degree in their area of interest.

Eligibility:

A candidate for being eligible for admission to the Bachelor of Commerce (Accounting and Finance) degree course shall have passed XII std. Examination of the Maharashtra Board of Higher Secondary Education or its equivalent and secured not less than 45% marks in aggregate at first attempt (40% in case of reserved category)

B.A IN MULTIMEDIA AND MASS COMMUNICATION (BAMMC)

University of Mumbai - AC Index - 10 May 2019

Item No.	Particulars
4.20	To consider the recommendations made by the Ad-hoc Board of Studies in Mass Media at its meeting held on 26th April, 2019 vide item No.- 1 and forwarded through the I/c. Dean, Faculty of Humanities to revise the syllabus of B.A in Multimedia and Mass Communication (BAMMC/BMM) - Sem I and II (CBCS) as per appendix and the same be brought into force with effect from the academic year 2019-20.

For all those who are waiting to unleash their "Creative streak" in the media industry

Introduction:

A three year programme divided into six semesters. The courses shall consist of 36 theory papers.

B.A in Multimedia and Mass Communication (BAMMC) curriculum

is designed to provide an adequate theoretical and practical foundation for a career in Mass Media. The course aims to provide students with a firm grounding in studies related to mass media through understanding society's diverse cultural foundation and inculcate social responsibility. The skills developed are creativity, critical thinking and originality in all aspects of media.

Features:

- The course provides students with a firm grounding in communication skills and aims to develop ability for critical thinking and creativity.
- It gives students an opportunity to combine the theoretical curriculum with practical application, through detailed research, lucid writing skills, oral presentation skills and a mastery of various mass communications media in our global information age.

Programme Content:

This is a three year full time programme with six semesters. The programme shall consist of 36 subject courses of equal weightage, 6 papers per semester. A student can choose between the specialization in Advertising or journalism while seeking admission to Semester V (in the third year).

During the second year, the student receives job training through internship. Besides this groups discussions and field visits will be conducted over a period of three years.

Future Prospects:

The BAMMC degree course is considered equivalent to other three year integrated degree courses. After graduation in mass media, the student will be eligible for pursuing a Master's degree in Mass Communication. The BAMMC graduates are also eligible to pursue careers in Advertising and Journalism.

Eligibility:

A student eligible for admission in the BAMMC have HSC or its equivalent Qualification and Candidate should have classed the 12th or equivalent Examination in single attempt.

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY (B.Sc.IT)

For the future IT professionals waiting to make a mark in the world of technology

Introduction:

The programme has been designed to develop an overview of business information technology, including strategic planning, web based systems, quality issues networking and software developments. The student will develop crucial skills for supporting the growth and competitiveness of modern business. Communication and internet technologies have opened opportunities for a new generation of professionals at various levels in an organization.

Features:

Highly practical- integration of theory and skills into practical applications in business. The course focuses on systematic and professional approach to develop IT Systems. Imparts knowledge of advanced IT Applications, useful in various sectors.

Programme Content:

BSc in Information Technology is a three year full time course covering 30 plus Subjects spread over in six semesters.

Future Prospects:

After completion of the course, the BSc.IT graduate can map the opportunities that lie in various sectors. After completion of the course a student may also pursue a masters degree related to their area of interest.

Eligibility:

A candidate for being eligible for admission to the degree of Bachelor of Science in Information Technology shall have passed HSC (XII std) examination of Maharashtra State Board of Secondary Education or its equivalent examination with Mathematics and Statistics as one of the subjects and should have secured not less than 45% marks in aggregate for open

category and 40% marks in aggregate in case of reserved category students.

Candidates who have passed Diploma (Three Years after SSC / Xth Standard) in Information Technology, Computer Technology / Computer Engineering / Computer Science / Electrical, Electronics and Video Engineering and Allied Branches / Mechanical Engineering and Allied Branches / Civil and Allied branches are eligible for direct admission to the Second year of the BSc.IT degree course. However the diploma should be recognized by the Board of Technical Education or any other recognized government body. Minimum marks required 45% aggregate for open category candidates and 40% aggregate for reserved category candidates.

OR

Candidates with post HSC Diploma in Information Technology/Computer Technology / Computer Engineering/Computer Science and Allied branches will be eligible for direct admission to second year of BSc.IT. However the diploma should be recognized by the Board of Technical Education or any other recognized Government Body. Minimum marks required 45% aggregate for open category candidates and 40% aggregate for reserved category candidates.

Admission will be on merit, based on order of preference as follows:

1. Marks in mathematics and statistics at HSC or equivalent examination.
2. Aggregate marks at HSC or equivalent examination.
3. Aggregate marks at SSC or equivalent examination.

Course Structure:

First Year

First Semester: 5 papers

- 1.1 Imperative Programming
- 1.2 Digital Electronics
- 1.3 Operating Systems
- 1.4 Discrete Mathematics
- 1.5 Communication Skills

Second Semester: 5 papers

- 2.1 Objects oriented Programming
- 2.2 Microprocessor Architecture
- 2.3 Web Programming
- 2.4 Numerical & Statistical Methods
- 2.5 Green Computing

Second Year

Third Semester: 5 papers

- 3.1 Computer Networks
- 3.2 Database Management System
- 3.3 Python Programming
- 3.4 Applied Mathematics
- 3.5 Data Structures

Fourth Semester: 5 papers

- 4.1 Core Java
- 4.2 Introduction to Embedded Systems
- 4.3 Computer Oriented Statistical Techniques
- 4.4 Software Engineering
- 4.5 Computer Graphics

Third Year

Fifth Semester: 5 papers

- 5.1 Software Project Management
- 5.2 Internet of Things
- 5.3 Advance web programming
- 5.4 Artificial Intelligence
- 5.5 Enterprise Java
- 5.6 Project Dissertation

Sixth Semester: 5 papers

- 6.1 Software Quality Assurance
- 6.2 Security in Computing
- 6.3 Business Intelligence
- 6.4 Enterprise Networking
- 6.5 Cyber Law
- 6.6 Project Implementation

BACHELOR OF SCIENCE

Bachelor of Science (B. Sc) is an undergraduate degree course usually of three years duration. It is one of the most popular course choices among Science students after Class 12. The course is considered as a foundation course for students who want to make their career in the field of Science.

Students can choose to pursue a General BSc or BSc (Honours). The course is most apt for students who have a strong interest and background in Science and Mathematics. The course is also beneficial for students who wish to pursue multi and inter-disciplinary science careers in future. After the completion of a BSc degree, candidates can opt to pursue a Master of Science (M. Sc) or even secure admission in a professional job-oriented course.

The B. Sc programmes are generally of three years duration. The pedagogy of B. Sc programmes is a combination of theory and practical lessons. The B. Sc curriculum includes practical lessons which carry a considerable amount of weightage. To pass a semester, students need to pass both the theory as well practical exams.

The Institute offers B. Sc programme - General or Pass. The B. Sc General programme provides basic knowledge of the all major Science subjects to the students and includes both the theoretical and practical components.

The Institute offers B. Sc programme - General or Pass. The B. Sc General programme provides basic knowledge of the all major Science subjects to the students and includes both the theoretical and practical components.

Eligibility:

- Students passing S. Y. J. C. (Std. XII) with Science.
- Students from other State (eligibility) are required to have ENGLISH as a compulsory paper at H.S.C. level.

Duration of Course:

This course shall be a full time course. The duration of course will be six semesters spread over there years.

B.SC (HOSPITALITY STUDIES)

Duration of Course:

Hotel Management has become one of the most popular hospitality and travel specialization opted by students who are planning to study a professional course immediately after completing their Class XII. What makes this one of the most sought-after courses is the wide array of opportunities available in the hospitality industry in India and abroad. Moreover, it is one of the few professional courses that can be pursued by students from any stream (Arts, Science, and Commerce).

However, the growing number of students in hotel management courses is making the scenario competitive compared to previous years. Hence, pursuing the right courses and undergoing the right kind of training is required to sail through promising jobs in this sector.

Hotel Management course is intended to train students in different fields of the hospitality industry. Pursuing this course opens up a plethora of opportunities for students in top multinational companies catering to the food and beverage industry as well as in hotels, hospitals, airlines, and cruise lines.

After successful completion of a hotel management course at the undergraduate level, one can opt for further studies and go on to pursue Masters in this field or even an MBA in Hotel Management.

Apart from the conventional syllabus, the faculty takes the utmost care to develop the communication skills and interpersonal skills of a student. He or she is groomed to develop a polite demeanor that is a must for hospitality management jobs.

The Institute is affiliated to University of Mumbai and Approved by the UGC.

Duration

3 Year Full Time Degree Course.

Eligibility

H.S.C. or its equivalent with minimum 45% (40% for Reserved Category) from any stream

Course Awarded

Degree in B.Sc. (Hospitality Studies) awarded by Mumbai University.

USH0204	Housekeeping II
USH0205	Rooms Division Management (Practical)-II
USH0206	Communication Skill II (English & French)
USH0207	Principles of Hotel Accountancy
USH0208	Principles of Hotel Management

Subjects**S.Y.B.Sc (Hospitality Studies)**

Semester III	
Subject Code	Subject Name
USHO301	Food Production & Patisserie III
USHO302	Food & Beverage Service III
USHO303	Front Office III
USHO304	Housekeeping III
USHO305	Rooms Division Management (Practical)-III
USHO306	Hotel Accountancy & Cost Control
USHO307	Hospitality Law & Human Resource Management
USHO308	Management Information System in Hospitality Industry

Semester IV	
Subject Code	Subject Name
USHO401	Industrial Exposure Training

Subjects**T.Y.B.Sc (Hospitality Studies)**

Semester VI	
Subject Code	Subject Name
USHO501	Food Production & Patisserie
USHO502	Food & Beverage Operations Management
USHO503	Front Office
USHO504	Housekeeping
USHO505	Rooms Division Management (Practical)
USHO506	Corporate English
USHO507	Environmental & Sustainable Tourism

Semester V	
Subject Code	Subject Name
USHO601	Organizational Behaviour (Compulsory)
USHO602	Strategic Management (Compulsory)
USHO603	Event Planning, Marketing & Management (Compulsory)
USHO604	Core Elective (Any TWO)
USHO614	Advanced Food Production
USHO624	Advanced Food & Beverage Operations Management
USHO634	Advanced Housekeeping
USHO644	Advanced Front Office
USHO654	Advanced Bakery & Confectionery
USHO605	Allied Elective (Any ONE)
USHO615	Revenue Management
USHO625	Foreign Language (French)
USHO635	Services Marketing
USHO645	Financial Management
USHO655	Strategic Human Resource Management

Examination

Conducted by the Mumbai University

I. Scheme of Examination

The examinations shall be conducted at the end of each semester.

Each Theory paper and Practical will be evaluated internally and externally. Internal evaluation will comprise 40% and external evaluation 60%.

- Internal evaluation will be based on class tests, assignments, group discussions, seminars, quizzes, presentations, open book test etc.
- The Final/External evaluation shall be an examination held at the end of each semester and shall be of 2 hours duration (for Theory)
- The semester examination for Semester I to Semester IV of all course areas will be conducted by the institution/college on behalf of the University. The University will conduct external theory and practical examination of Semester V and Semester VI. The internal evaluation (assessment) for all the courses in Semester V and Semester VI will be done by the institution/college and internal assessment marks and/or grades will be communicated to the university examination section before the commencement of theory examinations.
- Every student has to undergo Industrial Training of at least 20 weeks duration either in the IIIrd Semester or IVth Semester. The student is said to have successfully completed Industrial Training when he/she secures a minimum grade of 'C' on a 7 point scale.

II. Performance Grading

The performance grading of a student shall be on the seven-point ranking system as given below

Grade	Marks in %	Grade Point
O	70 and above	7
A	60 to 69.99	6
B	55 to 59.99	5
C	50 to 54.99	4
D	45 to 49.99	3
E	40 to 44.99	2
F (Fail/ Unsatisfactory)	39.99 and below	1

The performance grading shall be based on the aggregate performance of Semester Internal Assessment and Semester End Examination.

III. Passing Standard

- Grade 'E': minimum grade on the seven-point scale denoting 'Pass'.
- 'Pass' means minimum grade 'E' or above on the 7 point scale.
- 'Fail' means grade 'F' on the 7 point scale.
- Students will have to obtain a minimum of 40% marks in Internal Assessment and Semester End Examination independently.

IV. Carry forward of the marks in case a student fails in one or more Courses

- A student who passes in the Internal Assessment but fails Semester End Examination of the theory paper shall reappear for the Semester End Examination (called Additional Examination) in that theory course. In this case his /her marks of the Internal Assessment shall be carried forward. The grade will be awarded after obtaining grade 'E' or above in that course.
- A student who PASSES in the Semester End Examination but FAILS in the Internal Assessment of the paper shall reappear for the Internal Assessment of that course. His/her marks of the Semester End Examination shall be carried forward, however he /she shall be entitled for grade 'E' on passing.
- The Internal Assessment for students who are reappearing will consist of one project of 40 marks which will be divided into 20 marks for the hard copy of the project (10 marks for contents and 10 marks for documentation), 10 marks for the presentation and 10 marks for the viva.

V. Allowed to keep terms (A.T.K.T.)

- A student shall be allowed to keep terms for Semester II irrespective of grades obtained in each course of Semester I.
- A student shall be allowed to keep terms for Semester III if he/she passes each course (grade 'E' or above) of Semester I and Semester II. or If he/she fails in not more than two courses of Semester I and Semester II taken together.
- A student shall be allowed to keep terms for Semester IV irrespective of grades obtained in each course of Semester III. However, the student has to pass all courses in either Semester I or Semester II in order to appear for Semester IV.
- A student shall be allowed to keep terms for semester V if he/she passes Semester I, Semester II, Semester III and Semester IV. or He/She has passed Semester I and Semester II and fails in not more than two courses of Semester III and Semester IV taken together. or He/she has passed Semester III and Semester IV and fails in not more than two courses of Semester I and Semester II taken together.
- A student shall be allowed to keep terms for Semester VI irrespective of grades obtained in each course of Semester V.
- The result of Semester IV shall be kept in abeyance until the student passes each of Semester I, Semester II, Semester III, Semester IV and Semester V.

VI. Additional examination

- There will be one additional examination for Semester I, II, III and IV for those who have failed or remained absent. Such students will be allowed to appear for the examination by the Head of the Institution, after following the necessary procedures on medical/special grounds. This examination will be held 15 days after the declaration of results but not later than 60 days.

B.Sc (Data Science)

Data Science refers to extraction of knowledge from large volumes of data that are structured or unstructured, which is continuation of data mining and predictive analytics. It involves different categories of analytical approaches for modeling various types of business scenarios and arriving at solution and strategies for optimal decision-making in marketing, finance, operations, organizational behavior and other managerial aspects. This new field of study breaks down into a number of different areas, from constructing big data infrastructure and configuring the various server tools that sit on top of the hardware, to performing the analysis and developing the right transformations to generate useful results. Data Science is an interdisciplinary field that combines the magic of programming, mathematics and business. Combined with Machine Learning, it helps to identify a future trend which can be used to derive actionable insights for creating future impact. These skills will help for the role of a Data Scientist. As a Data Science aspirant, learner will be emphasizing of the knowledge to share from the quantitative analysis to programming concept and extended to business intelligence. Data science can add value to any business which can use the data well. Data Science consists of 3 parts namely: Machine Learning: Machine Learning involves algorithms and mathematical models, chiefly employed to make machines learn and prepare them to adapt to everyday advancements. Big Data: Everyday, we are producing so much of data in the form of clicks, orders, videos, images, comments, articles, RSS Feeds etc. These data is generally unstructured and is often called as Big Data. Big Data tools and techniques mainly help in converting this unstructured data into a structured form. Business Intelligence: Each business has and produces too much data every day. This data when analyzed carefully and then presented in visual reports involving graphs, can bring good decision making to life. This can help the management in taking the best decision after carefully delving into patterns and details the reports bring to life.

Subject would change
as per University Circular
(All the courses)
BAMMC | BAF | Bsc IT | BBI | BMS

Eligibility:

HSC or equivalent from any stream / 3 years
Diploma from MSBTE or equivalent

Passing Marks – 40%

Duration of Course:

This course shall be a full time course. The duration of course will be six semesters spread over there years.

Programme Specific Outcomes

- Build a strong foundation of statistics for data science.
- Use all the features and new updates of Python and R for data science.
- Perform scientific and technical computing using the Python Sci Py package and its subpackages Integrate, Optimize, Statistics, IO, and Weave.
- Gain expertise in mathematical computing using the NumPy and Scikit-Learn package.
- Gain an in-depth understanding of data structure and data manipulation.
- Understand and use linear and non-linear regression models and classification techniques for data analysis.
- Obtain a comprehensive knowledge of supervised and unsupervised learning models such as linear regression, logistic regression, clustering, dimensionality reduction, KNN and pipeline.
- Master the concepts recommendation engine, time series modelling, gain practical mastery over principles, algorithms, and applications of Machine Learning.
- Learn to analyse data using Tableau and Power BI and become proficient in building interactive dashboards.
- Understand deep reinforcement learning techniques applied in Natural Language Processing.
- Understand the different components of the Hadoop ecosystem and learn to work with HBase, its architecture and data storage, learning the difference between HBase and RDBMS, and use Hive and Impala for partitioning.
- Understand Map Reduce and its characteristics and learn how to ingest data using Sqoop and flame.

Subject List

SEMESTER I

Course Code	Course Type	Course Name	Credits	Marks
USDS101	DSC	Descriptive Statistics	02	100
USDS1P1	DSC	Descriptive Statistics Practical	02	50
USDS102	DSC	Introduction to Programming	02	100
USDS1P2	DSC	Introduction to Programming Practical	02	50
USDS103	DSC	Web Technology	02	100
USDS1P3	DSC	Web Technology Practical	02	50
USDS104	AECC	Business Communication and Information Ethic	02	100
USDS1P4	AECC	ICT Practical	02	50
USDS105	DSC	Precalculus	02	100
USDS1P5	DSC	Precalculus Tutorials	02	50
			20	750

SEMESTER II

Course Code	Course Type	Course Name	Credits	Marks
USDS201	DSC	Probability and Distributions	02	100
USDS2P1	DSC	Probability and Distributions Practical	02	50
USDS202	DSC	Database Management	02	100
USDS2P2	DSC	Database Management Practical	02	50
USDS203	DSC	R Programming	02	100
USDS2P3	DSC	R Programming Practical	02	50
USDS204	AECC	Environmental Science	02	100
USDS2P4	AECC	Project Presentation on Data Science in Environmental Science	02	50
USDS205	DSC	Calculus	02	100
USDS2P5	DSC	Calculus Tutorials	02	50
			20	750

SEMESTER III

Course Code	Course Type	Course Name	Credits	Marks
USDS301	DSC	Testing of Hypothesis	02	100
USDS3P1	DSC	SPSS Practical	02	50
USDS302	DSC	Data Structures	02	100
USDS3P2	DSC	Data Structures Practical	02	50
USDS303	SEC	Microeconomics / Principles of Management	02	100
USDS3P3	SEC	Case Studies on Microeconomics	02	50
USDS304	DSC	Data Warehousing	02	100
USDS3P4	DSC	Data Warehousing Practical	02	50
USDS305	DSC	Linear Algebra and Discrete Mathematics	02	100
USDS3P5	DSC	Tutorials on Linear Algebra and Discrete Mathematics	02	50
			20	750

SEMESTER IV

Course Code	Course Type	Course Name	Credits	Marks
USDS401	DSC	Optimization Techniques	02	100
USDS4P1	DSC	Optimization Techniques Practical	02	50
USDS402	DSC	Big Data	02	100
USDS4P2	DSC	Big Data Practical	02	50
USDS403	SEC	E-Commerce and Business Ethics / Fundamentals of Accounting	02	100
USDS4P3	SEC	MATLAB Practical	02	50
USDS404	DSC	Algorithms in Data Science	02	100
USDS4P4	DSC	Algorithms in Data Science Practical	02	50
USDS405	DSC	Numerical Methods	02	100
USDS4P5	DSC	Numerical Methods Practical	02	50
			20	750

SEMESTER V

Course Code	Course Type	Course Name	Credits	Marks
USDS501	DSC	Artificial Intelligence	02	100
USDS5P1	DSC	Artificial Intelligence Practical	02	50
USDS502	DSC	Business Research Methods	02	100
USDS5P2	DSC	Business Research Methods Practical	02	50
USDS503	SEC	Data Mining	02	100
USDS5P3	SEC	Data Mining Practical	02	50
USDS504	DSC	Campus to Corporate	02	100
USDS5P4	DSC	Project Dissertation	02	50
Elective 1 (Select Any one of the following)				
USDS505a	DSC	Reinforcement Learning	02	100
USDS505b	DSC	Marketing and Retail Analytics		
USDS505c	DSC	Supply Chain and Logistics Analytics		
USDS505d	DSC	Robotic Process Automation		
Compulsory Practical				
USDS5P5	DSC	Data Visualisation with Power BI / Tableau	02	50
			20	750

SEMESTER VI

Course Code	Course Type	Course Name	Credits	Marks
USDS601	DSC	Machine Learning	02	100
USDS6P1	DSC	Machine Learning Practical	02	50
USDS602	DSC	Cloud Computing	02	100

Reena Mehta Junior College of Arts, Science , and Commerce

XI & XII COMMERCE

Subject List

1. English
2. Hindi / Information Technology
3. Book keeping
4. Organisation of Commerce
5. Economics
6. Secretarial Practice (SP) / Maths
7. EVS
8. PT

Note:

1. Hindi / IT are optional subject
2. SP / Maths are optional subject

XI & XII SUBJECTS FOR ARTS

Subject list

1. English
2. Sociology
3. Political Science
4. EVS

Note:

1. Hindi / IT are optional subject.
2. Economic / history are optional subject.
3. Geography / Psychology are optional subject.

How to Apply

1. For XI, Online Registration & Admission is compulsory as per Maharashtra State Board norms.
2. The prescribed admission form is available at the office counter and should be duly filled up furnishing all relevant information and submitted in the college office on the due date.
3. Attested true copies of all the documents as required should be endorsed along with the admission form.
4. Admission form may be rejected for want of adequate and full information and relevant true copies.
5. 50% seats are reserved for Gujarati Minority Quota

XI & XII SCIENCE

Subject List

1. Hindi / Information Technology / Computer Science
2. English
3. Chemistry
4. Physics
5. Biology / Economics / Psychology
6. Maths / Geography / sociology
7. EVS
8. PT

Note:

1. Hindi / IT / CS are optional subject
2. Biology / Economics / Psychology
3. Maths / Geography / Sociology

Subject list

5. PT
6. Hindi / IT
7. Economic / History
8. Geography / Psychology

MASTERS IN COMMERCE (M.Com)

1) Advance Accountancy 2) Business Management 3) E-Commerce

ELIGIBILITY CRITERIA

Graduates in (in commerce) B.COM / BAF / BMS / BBI / BTM / BIM

Masters In Commerce (M.Com) Programme

Under choice based credit, grading and semester system course structure

M.Com I

No. Of Course	Semester I	No. Of Course	Semester II
1.	Core Courses (CC)	1.	Core Courses (CC)
1.	Strategic Management	1.	Research Methodology for Business
2.	Economic for Business Decisions	2.	Macro Economic Concepts and Applications
3.	Cost and Management Accounting	3.	Corporate Finance
4.	Business Ethics and Corporate Social Responsibility	4.	E-Commerce

M.Com II

No. Of Course	Semester III	No. Of Course	Semester IV
1.	Elective Courses (EC)	1.	Elective Courses (EC)
2.	* Any one group of courses from the following list of the courses (Group - A/B/C/D/F)	1,2 and 3	* Any one group of courses from the following list of the courses (Group - A/B/C/D/F)
3.	Project Work	2.	Project Work
4.	Project Work - I	4.	Project Work - I

1	*List of group of Elective Courses (EC) for Semester III	1	** List of group of Elective Courses (EC) for Semester IV
Group A: Advanced Accounting, Corporate Accounting and Financial Management			
1	Advanced Financial Accounting	1	Corporate Financial Accounting
2	Advanced Cost Accounting	2	Indirect Tax
3	Direct Tax	3	Financial Management
4	Project Work - I	4	Project Work - II

Group B: Business Studies (Management)

1.	Human Resource Management	1.	Management of Business Relations
2.	Marketing Strategies and Practices	2.	Advertising and Sales Management
3.	Organizational Behaviour	3.	Retail Management
4.	Project Work -I	4.	Project Work -II

Group C: E-Commerce

1.	Database Management System	1.	E-Commerce Security and Law
2.	Internet and Web-Designing (Skill based)	2.	Advance technology for E-Commerce
3.	Logistic & Supply Chain Management in E-Commerce	3.	Digital Marketing
4.	Project Work -I	4.	Project Work -II

Post Graduate Diploma in Management (PGDM)

About the Program

UM- GICED in collaboration with BSS Foundation offers a 24 months Post Graduate Diploma in Management, affiliated with Mumbai University.

Program Highlights

- Regular Classes (Full Day)
- Dual Specialization
- Strong Industry Acceptance
- International Acceptance
- Easy EMI options Available
- Admission Procedure
- Registration Fees- Ras. 1000/-
- Aptitude Test
- Personal interview
- Course Duration – 24 Months

Course Structure. Semester I

- Principle of Management
- Financial Management
- Marketing Management
- Business Communication
- MIS
- Management Economics

Semester II

- Business Law
- Organisation Behaviour
- Project Management
- Quantitative Techniques
- Strategic Management
- Human Resources

Sem III (Specialization) Human Resources.

- Compensation Management
- Performance Management System
- Learning and Development
- Human Resource Management
- Industrial Relation and Labour Law
- Project

Business Analytics

- Statistics
- Python
- Introduction to Machine Learning
- Artificial Intelligence
- Data Science
- Project

Digital Marketing Specialization

- Website planning and Structure
- SEO
- Social Media
- Email Marketing
- Google Ad Worlds
- Project

Finance Specialization

- Investment Analysis and Portfolio
- Financial Markets.
- Mergers and Acquisitions
- Ethics in Finance
- Wealth Management
- Project

Sales And Marketing Management

- Consumer Behaviour
- Marketing Research
- Sales and Distribution Management.
- Retail Management and E- commerce
- Services Marketing and Rural Marketing
- Project

Semester IV

- 3 months Internship
- Entrepreneurship
- Innovation and ICUBATION
- Project – 3

POST GRADUATE DIPLOMA IN BUSINESS MANAGEMENT (PGDBM)

About the Program

GICED offers 18 months (Weekend) Post Graduate Diploma Business Management
Affiliated with Mumbai University

Program Highlights

- Weekend Classes
- Digital Study Material
- EMI Option
- Strong Industry Acceptance
- International Acceptance

Program Structure:

1st & 2nd Semesters

- General Management.

3rd Semesters - Specialization in

- 1. Sales and Marketing
- 2. Finance
- 3. Human Resource
- 4. Digital Marketing

Semester I

- 1. Principles of Management
- 2. Business Communication
- 3. Managerial Economics
- 4. Financial Management
- 5. Human Resource Management
- 6. Marketing Management

Semester II

- 1. Strategic Management
- 2. International Marketing
- 3. Information Technology
- 4. Research Methodology / Quantitative Techniques.
- 5. Global Business Environment
- 6. Cost Accounting

Semester III

1. Specialization in Sales and Marketing

- Management

- Marketing Strategy

- Integrated Marketing Communication

- Product and Brand Management

- Consumer and Industrial Buying Behaviour

- Service Marketing

2. Specialization in Finance Management

- Advance Financial Management &

- Strategic Cost Management

- Security Analysis and Portfolio Management

- Corporate Law

- Financial Markets and Institutions

- Derivatives and Risk Management

3. Specialization in Human Resource Management

- Organizational Theories and Structure Designs

- Training Development, Building &

- Learning Organization

- Introduction to Industrial Relation and

- Labour Law, HRP and HRA, Labour Legislation

- Compensation and Benefits

- Competency and Performance Management.

4. Specialization in Digital Marketing

- Integrated Marketing

- Web and Mobile Application

- (Design and Development)

- Social Media Marketing

- E commerce Marketing

- Search Marketing

HOTEL MANAGEMENT

WE ARE DELIGHTED
TO ANNOUNCE THE ADMISSION PROCEDURE FOR

THE DIPLOMA IN HOSPITALITY STUDIES

IT IS A **ONE YEAR** COURSE WHERE
THE CHILD WILL GET A **DIPLOMA CERTIFICATE**

To offer students the opportunity to develop their practical, management and communication abilities and provide each individual student with the training know how for a successful career in the highly competitive Hospitality Industry.

1	Diploma in Hotel Management & Catering Science	1 Year	S.S.C Passed	National Centre for Vocational and Technical Education Examinations
2	Diploma in Bakery and Confectionery	1 year class and 6 months Industrial Training	S.S.C Passed	National Centre for Vocational and Technical Education Examinations
3	Diploma in Housekeeping	6 months class and 6 months Industrial Training	S.S.C Passed	National Centre for Vocational and Technical Education Examinations
4	Diploma in Hotel Operation & Management	6 months class and 6 months Industrial Training	S.S.C Passed	National Centre for Vocational and Technical Education Examinations

NCVTE Diploma In Hotel Management & Catering Science

1. Communicative English & Computer Fundamentals
2. Food & Beverage Service Management
3. Front Office Management
4. Accommodation Operation Management
5. Tourism Management & Principles of Management
6. Hotel Accountancy & Hygiene & Sanitation
7. Practicals
8. Internship

NCVTE Diploma In Hotel Operation & Management

1. Food & Beverage Service Management
2. Front Office Management
3. Accommodation Operation Management
4. Tourism Management & Principles of Management
5. Hotel Accountancy & Hygiene & Sanitation
6. Practicals
7. Internship

NCVTE Diploma In Bakery & Confectionery

1. Communicative English & Computer Fundamentals
2. Food Science & Nutrition
3. Bakery & Confectionery Production Theory
4. Practicals
5. Internship

NCVTE Diploma In House Keeping

1. House Keeping Operation
2. Interior Decoration
3. Hygiene & Hotel Maintenance
4. Communication
5. Computer Awareness
6. Practicals
7. Internship

FASHION DESIGNING

Reena Mehta College of Arts Science Commerce & Management Studies is an education hub to develop the uniqueness of each person, adapts to the needs of the time, and is open to constant learning. This means you'll be mentored by professional faculty and designers in an environment of collaboration and discussion.

1	Diploma in Fashion Designing	1 year	S.S.C Passed	National Centre for Vocational and Technical Education Examinations
2	Advance Diploma in Fashion Designing	2 year class	S.S.C Passed	National Centre for Vocational and Technical Education Examinations
3	Masters Diploma in Fashion Designing	3 year class	S.S.C Passed	National Centre for Vocational and Technical Education Examinations

DIPLOMA IN FASHION DESIGNING

Introduction to fashion

- History of Fashion
- Fashion Textile
- Fashion Industry

- Colour Analysis
- Design and Colour concept

Practicals

- Fashion Drawing
- Fashion Illustration (Level 1)
- Fashion Illustration (Level 2)
- Fashion Portfolio

- Male and female body shapping
- Introduction to fashion illustration and its feature
- Rendering in garments

Introduction to Sewing machine

- Pattern Drafting (level 1)
- Pattern Drafting (level 2)

- Garment Construction (Level 1)
- Garment Construction (Level 2)

Textile Process

- Knowledge of Fibre and Yarns
- Dyeing and printing Process
- Prints and Texture
- Understanding of the textile industry

- Classification of Weaving
- Types of prints
- Fabric Painting
- Embroidery

Projects

- Prints and Texture
- Surface Ornamentation

Study Tour

- Industrial Visit: local/ Out station
- Markey Survey
- Examination: NCVTE (Govt. Of India)

Internship / Placement Guidance

ADVANCE DIPLOMA IN FASHION DESIGNING

Introduction to fashion

- | | |
|-------------------------------|-----------------------------------|
| • Fundamentals of Textile | • Fashion Language Guide |
| • Fashion Business Management | • Fashion Marketing Merchandising |

Practicals

- | | |
|----------------------------------|-------------------------|
| • Fashion Drawing | • Fashion Portfolio |
| • Fashion Illustration (Level 3) | • Commercial Techniques |

Introduction to Sewing machine

- | | |
|--|-------------------------|
| • Pattern Drafting (Level 3) | • Surface Ornamentation |
| • Garment Construction (Level 3) | • Fashion Cycle |
| • Introduction to Coral Draw and Its Feature | • Brand Category |
| • Introduction to Photoshop and Feature | • Personal Grooming |
| • Computer | • Draping |

Workshops

Projects

- Fabric Embellishment

Group Project

- Fabric Recognition
- Industrial Visit: local/ Out station
- Markey Survey
- Examination: NCVTE (Govt. Of India)

Internship / Placement Guidance

MASTER'S DIPLOMA IN FASHION DESIGNING

Introduction to fashion

- | | |
|----------------------------|-----------------------------------|
| • History of Fashion | • Fashion Language Guide |
| • Fashion Textile | • Fashion business Management |
| • Fashion Industry | • Fashion Marketing Merchandising |
| • Color Analysis | • History of Western wear |
| • Design and Color concept | • Interational Contume |
| • Fundamentals of Textile | |

Practicals

- Fashion Drawing
- Fashion Illustration: Wedding Trousseau (Bride & Bridegroom) 8 types
- Fashion Illustration (International): Romanian and egyptian

Portfolio Development

Research

(20th century, Fashion & You, Mood/concept Board & Color Board, Text Board, Competitor board - Demographics, Range Board, Make wear)

Commercial Techniques

Fashion Designing & Product development

- | | |
|---|-------------------------|
| • Fashion Design VS Product development | • Customer Demographics |
| • Fashion Session | • International designs |
| • Fashion Cycle | • Brand Identity |
| • Store / Board Category | • Market Research |

- Conceptualization of collection
- Fashion Presentation Board

- Garment Types and details

Sewing Machine Technology

- Techniques of fitting Problems & Solution
- Transferring pattern marketings
- Solving fitting problems

- Alternative for insufficient fabric
- Principal of fitting
- Fabric creation

Practicals:

(One Piece, Princess cut blouse , Ghaghara choli, gawn, Western outfit, shirt & Trouser, Palazzo)

Textile Process

- Knowledge of Fibres and Yarns
- Dyeing and printing Process
- Classification if Weaving
- Types of prints
- Print ant Textile
- Personal Grooming
- Design development Concept
- World costume

- Portfolio submission
- International Portfolio Completion
- Draping
- Effective Personality
- Accessory Designing
- Market survey and Research
- Entrepreneurship
- Embellishment Project

Management

- Boutique Management
- Product ion management

- Quality management system

Introduction to Quality Assurance (information and feedback) system across Fabric, Cutting, Sewing, Finishing and Dispatch sections focusing on the following aspects:

Introduction to different

International quality and compliance Systems / norms

Honest (Project)

Client profile

Projects

- Prints and Texture
- Surface Ornamentation
- Fashion Industry Profile

- Dying/Printing /Weaving
- Costume Styling

Group Project

- Fabric Embellishment

- Indian - International Designer

- Vivas
- Industrial Visit: local/ Out station
- Market Survey: local/ Out station
- Examination: NCVTE (Govt. of India)
- 1 Months Internship

INTERIOR DESIGNING

Reena Mehta College aims to teach our students ethical and moral professional values and thus prepare them for tomorrow's competitive world. We prepare aspiring and competent working professionals to be leaders in the field by drawing upon expert faculty, innovative approaches and strong industry relationships.

Interior design is the art and science of enhancing the interior of a building to achieve a healthier and more aesthetically pleasing environment for the people using the spaces.

Exterior design includes your home's size and shape, how it fits into the surrounding neighborhood and streetscape, and the impact it has on its site. While home design is a matter of personal taste, there are practical benefits from designing a home or renovation that: is in harmony with your neighborhood.

1	Diploma in Interior Designing	1 year	S.S.C Passed	National Centre for Vocational and Technical Education Examinations
2	Advance Diploma in Interior Designing	2 year class	S.S.C Passed	National Centre for Vocational and Technical Education Examinations
3	Masters Diploma in Interior Decoration & Designing	3 year class	S.S.C Passed	National Centre for Vocational and Technical Education Examinations

DIPLOMA IN INTERIOR DESIGN

Duration : 1 year

SEMESTER I

Introduction to Interior Design - I

- Technical terms
- Finding out Client requirements
- Procedure of Design

Introduction to Drafting Tools and Techniques

- Technical terms of drafting
- Introduction to tools and how to use them
- Making of format and legend
- Construction of geometrical shapes
- Orthographic projections and perspective drawing
- Drafting of plan, elevation (2D) and 3D views

Graphics - I

- Elements and principles of design
- Patterns and textures
- Concept of colours

History of Interior Design and Furniture - I

- Indian architecture

Furniture Design - I

- Introduction and importance of ergonomics
- Introduction and importance of furniture
- Standard sizes of furniture

Building Construction - I

- Foundation, columns and beams
- Brick and stone masonry
- Types of walls, doors and windows
- Material: Wood and Glass (Market survey to be done by students)

Portfolio Project - I : My Dream Room (bedroom)

- How to approach a project
- Design development
- Civil plan
- Proposed plan
- Furniture Layout
- Material Board
- 3D view of room
- Model making

Eligibility:

- a. 12th pass (any stream)
- b. In-house students only

Intake Capacity: 20 per Course

Lecture Held

- a. In RMC after regular lectures

TESTIMONIALS

Studying in RMC is a great pride

One of the most interesting stages in life that gives you an opportunity to explore is the **"COLLEGE PHASE"**.

My experience at **RMC** has taught me one fundamental thing -

"LIFE IS UNPREDICTABLE". It is and would be further a great memory which cannot be forgotten. I have done my Junior College and am pursuing my further studies from this college and I'm sure that I would make some new and great experiences and learn innovative and unique things.

RMC has conducted various projects which are guiding us for our career, and I am grateful to be part of one of the projects giving exposure to real working environment. When you know, your teachers stand behind you gives you different level of confidence. It will be glad to always have teachers' words on bookshelves, filled with proof of own potential and ability to grow. **RMC** faculties are the great support system for us which helps and guides us to always succeed in life. After all, I would be the luckiest person to come in this Institute and create some of the best memories.

- **Vidhi Rathod**
FYBCOM (Batch: 2021-2024)

The year 2020 was one in which everyone's future was utterly unknown. My parents and I were terrified and unsure of how I would start my profession in light of the events going around. Admission to RMC had served as the stepping stone for my achievement and improvement. I had several opportunities to work on, I had worked as the committee's IT Head, and I was the CR of my class for two years in a row. Abilities such as leadership, collaboration, cooperation with management, diplomatic conduct, and many more have been developed. My three-year in college had taught me a lessons which changed my entire life. I believe I am now more capable and self-assured to operate in the real world. Finally, I'd like to express my gratitude to the Management, Principal, HODs and all the faculty members who supported me during this period.

Mr. Aman Singh

Alumni (BMS: Batch 2020-2023)

Once a great man said, "Feeling gratitude and not expressing it is like wrapping a present and not giving it."

Today, I take this opportunity to put all my gratitude in the form of words.

I have been fortunate enough to be backed by our teachers.

When I was choosing BMS, I was not very sure about it but the college provided all the means and knowledge to me, so that I could understand and excel in this field. The college conducted many competitions so that we put ourselves up to the challenges and be confident enough to face them. I'll always be grateful to the college, teachers and staff, for always being available and helping me out.

RMC has been the best place for me to excel in the past three years, to get to know my potential and things I am capable of, they always taught me to grab every opportunity you get and make the most out of it.

I'll forever be grateful to RMC, teachers, staff and my friends for always motivating and pushing me to be the best version of mine.

Umaid Mohamed Khan

Alumni (BMS: Batch 2019-2022)

Throughout my college years, I have gained extensive knowledge and practical experience in various areas of accounting and finance, including financial accounting, management accounting, taxation, and auditing.

I had an amazing experience at Reena Mehta College in Bhayandar West. The faculty at this college was top-notch, with some of the most dedicated and knowledgeable teachers I have ever had. Their teaching methodologies were engaging, and they really cared about their students' success. The management was also very efficient, ensuring that all students had the resources they needed to excel in their studies. Overall, I would highly recommend Reena Mehta College to anyone looking for a quality education with an excellent faculty and management team.

Aayushi Sheth

Alumni (BAF: Batch 2019-2022)

I am very glad to be a student of Reena Mehta College. My department encouraged me to explore my talent and potential by providing an exceptional integrated learning environment. I had a great time during exhibitions, Seminars, and different activities. Got to learn many new things from knowledgeable seminars.

During the pandemic Reena Mehta College helped their students by providing online classes. Conducting seminars and also heard and responded to every student's query from time to time. With the support of faculty members I got to know many useful things which will be helpful for me in future.

Overall it was a wonderful experience and I have a lifetime of good memories. I am really grateful to my teachers who have changed my whole aspect towards learning. I have great respect, love, and devotion for the entire faculty members and department. I express my heartfelt thanks to the institution for giving me the perfect opportunity to explore myself.

Ms. Hajra Shaikh

Alumni (BAF: Batch 2019-2022)

It gives me great pleasure to say with pride that I have completed my BBI from Reena Mehta College Of Management Studies. The faculty and student relationship is very cordial, which gave me an opportunity to excel in my studies. The three years spent here were splendid and have helped me to grow better professionally & personally. I would like to thank all the faculty and staff for making me a "Better Person".

Ms. Khushi Mistry

Alumni (BBI: Batch 2019-2022)

As being in RMC I have been a part of this truly developing institute. I am very thankful to experienced and talented faculties to enhance my skills throughout the course and mould my personality in the right way. All faculties are not only delivering the best but also motivating us to make us socially responsible citizens by their super powerful thoughts. I am very glad that I am a part of this huge and beautiful family.

Riya Prakash Bothra

Alumni (BScIT: Batch 2020-2023)

Looking back on my education in Reena Mehta College Of Management Studies, one word that comes to mind is exceptional. I found the classes and knowledge taught to be rewarding in every aspect. The faculties truly understand the merging of lectures and real-world examples to review while learning different topics in every subject. I enjoyed and learned a lot during these 3 years of my degree course. The professors and the staff are friendly and understanding. The grievances of the students are addressed immediately.

Ms. Supreet Kabo

Alumni (BBI: Batch 2019-2022)

Reena Mehta College is a private college located in Mumbai, India. It offers various undergraduate and postgraduate courses in commerce, science, and arts, including a BSC IT course. The BSC IT course is a three-year program that focuses on providing students with a strong foundation in computer science, programming, and information technology.

The course curriculum includes subjects such as data structures, software engineering, database management, computer networks, and web development. The college also provides practical training to students through internships, workshops, and industry visits.

Overall, Reena Mehta College has a good reputation for providing quality education, and the BSc IT course is well-structured and comprehensive.

I can say that the college provides quality education and excellent facilities to its students. The college has a well-qualified and experienced faculty who are passionate about teaching and dedicated to helping students achieve their academic goals. The courses are well-structured and comprehensive, with a focus on providing students with practical skills and industry-relevant knowledge.

The college also offers students various opportunities to develop their skills and interests through extracurricular activities, internships, workshops, and industry visits. The college has a supportive and inclusive environment that encourages students to pursue their passions and reach their full potential.

Overall, I would highly recommend Reena Mehta College to any student looking for a quality education and an enriching college experience."

Navzneen Bano Khan.

Alumni (BScIT: Batch 2020-2023)

My experience as a Bachelor of Arts student at Reena Mehta College of Arts, Science, Commerce, and Management Studies has been phenomenal. The college has provided me with a platform to pursue my academic interests and enhance my personal and professional skills.

The faculty members at the college are highly qualified, experienced, and passionate about teaching. They provide excellent guidance and support to the students, enabling them to excel academically. The professors not only impart theoretical knowledge but also provide practical exposure to the subjects, which has helped me to understand the real-world application of the concepts.

The college provides a conducive learning environment, which encourages students to explore their interests and enhance their skills beyond academics. The co-curricular and extracurricular activities at the college have been instrumental in developing my communication, leadership, and organizational skills. The college conducts various events, competitions, and seminars that provide students with opportunities to showcase their talents and interact with industry experts.

The infrastructure of the college is excellent, with well-equipped classrooms, a library, and labs that provide students with the necessary resources to excel in their academics. The college has a digital library that enables students to access e-books, journals, and other resources from anywhere at any time.

In conclusion, I would highly recommend Reena Mehta College of Arts, Science, Commerce, and Management Studies to anyone looking for a quality education and an excellent learning experience. The college has provided me with a solid foundation to pursue my career goals and aspirations. I am proud to be associated with this institution and will always cherish the memories and experiences that I gained here.

Shama Ghoshi

Alumni (BA: Batch 2019-2022)

I am very thankful for the opportunity which I have got today to thank the entire team of this college. We love spending time with the faculties, acquire knowledge from them on Cooking and presenting different country and regional foods. RMC is the platform where we learn and implement our thoughts with every faculty. We also get the most calm and friendly atmosphere in this College. We are thank full to our principle Dr. Satinder kaur Gujral who introduced this Hospitality Studies in this institute. We got the best, the humblest and lovingly Chef Shailesh Nigawale sharing his knowledge and Skills with us. We are very thankful and proud students of Reena Mehta College

Samar Mansuri

FYBSc in Hospitality Studies
(Batch: 2021-2024)

I feel privileged to be a part of Reena Mehta College of Arts, Science, Commerce, and Management Studies, where I pursued my undergraduate degree in Bachelor of Arts in Multimedia and Mass Communication. The college has exceeded my expectations in terms of quality education and overall development.

The faculty members at the college are highly experienced and knowledgeable, with a passion for teaching. They not only imparted theoretical knowledge but also provided practical exposure to the subjects we studied. The professors were approachable and always willing to help students in clarifying doubts and providing guidance.

The college has a vibrant and dynamic learning environment that encourages creativity and innovation. The college conducts various events, seminars, and workshops that provide students with opportunities to showcase their talents and hone their skills. The co-curricular and extracurricular activities have helped me to develop my leadership, communication, and organizational skills, which are essential for personal and professional growth.

The college infrastructure is top-notch, with modern classrooms, well-equipped labs, and a library that has a vast collection of books, journals, and other reading material. The college provides a conducive environment for learning, which helps students to focus on their studies and achieve their academic goals.

Overall, my experience at Reena Mehta College of Arts, Science, Commerce, and Management Studies has been fantastic. The college has not only helped me to achieve academic excellence but also provided me with a platform to explore my interests and develop my personality. I would highly recommend this college to anyone who is looking for a holistic learning experience and an excellent career opportunity in the field of multimedia and mass communication.

Siddharth Sharma

Alumni (BAMMC: Batch 2019-2022)

As an alumni of Reena Mehta College of Arts, Science, Commerce, and Management Studies, I can confidently say that my experience at this institution has been nothing short of exceptional. I completed my three-year undergraduate degree program in Bachelor of Arts in Multimedia and Mass Communication from this college, and I am proud to have been associated with this institution.

The faculty members at the college are highly knowledgeable, experienced, and dedicated. They not only teach the academic curriculum effectively but also provide guidance and mentorship to students, which has been instrumental in my personal and professional growth. The professors at the college were always available to clarify my doubts and provided me with valuable insights and feedback on my academic work.

The college has a conducive learning environment that promotes creativity, innovation, and critical thinking. The college organises various events, seminars, and workshops that provide students with opportunities to enhance their skills and knowledge beyond the academic curriculum. The co-curricular and extracurricular activities conducted by the college have helped me to develop my organisational, leadership, and communication skills, which are crucial in today's competitive world.

The infrastructure of the college is top-notch, and the facilities are well-maintained. The library is well-stocked with books, journals, and other relevant reading material that helped me to excel in my academics. The college has modern classrooms and well-equipped labs that provide students with practical exposure to the subjects they study.

In conclusion, I can say that my journey as an alumni of Reena Mehta College of Arts, Science, Commerce, and Management Studies has been enriching, fulfilling, and memorable. The college has helped me to become a better individual, both academically and personally. I would highly recommend this college to anyone who is looking for a quality education and an excellent learning environment.

SOCIAL RESPONSIBILITY

National Service Scheme (N.S.S.)

The National Service Scheme (N.S.S.) intends to instil virtues of social service, pro-social behaviour, cooperative and collaborative nature, raise awareness about various social issues and sensitise students towards the underprivileged.

The National Service Scheme Unit at Reena Mehta College was set up in the academic year 2009-10. The orientation for the same was held on 4th November 2009. Since its inception the NSS of RMC has been proactively involved in the service of the people.

Some of the regular activities are as follows:

- In order to eradicate the life-threatening diseases from the society and make it more healthy and safe, our NSS wing regularly partakes in various vaccination drives. Example Pulse Polio campaign and Vaccination against covid-19. To make the air we breathe purer, to enhance fertility of soil and improve water-holding capacity of land. RMC's NSS wing regularly carries out tree plantation drives.
- To cooperate in the health system of the society and improve blood supply in blood banks, like Sarla Blood Bank (a local blood bank), a regular blood donation campaign is organised under the guidance of experienced doctors, by the wing every year.
- With an intent to build a healthy lifestyle, ensure early detection of any harmful diseases and improve chances of cure, NSS regularly conducts free health check-up camps. In these regular programs body checkups like blood test, eye test, body mass index, bone density, heart conditions, and test of cancer conditions are conducted for free.
- In addition to all these NSS participates in socio-cultural activities cum festivals, like Women's day, Children's day, Christmas Celebration, Independence Day, Ganesh Utsav and Yoga Day etc. to improve brotherhood and community living.
- College NSS has actively participated in various governmental research initiatives related to education, health, sanitation and water conservation.
- In this way NSS participates in various social, academic, and cultural activities. As a result, the volunteers become mature and responsible citizens of our society and country.

સાથે જોડાયેલા સર્ટિફિકેટ ડાઉનલોડ પણ કરી શકાય છે. આ કોલેજમાં ફોન નંબર 9622181212 પર ઈમેલિંગ કરી શકાય છે. કોલેજ પાસે આ છે. લાઇવલિન્ક આ રીના મહેતા કોલેજ એન્ડ મેનેજમેન્ટ સ્ટડીઝ, કોમર્સ એન્ડ મેનેજમેન્ટ સ્ટડીઝના NAAC સ્ટેડ 3.94 CGPA સાથે A ગ્રેડ માન્યતાવાળું થયો છે. આના પરિણામો સરકાર અને કોલેજનું મેનેજમેન્ટ, અધ્યાપક શિક્ષકોની, અભ્યાસ, HOD, ટીચિંગ અને નોન-ટીચિંગ કક્ષા, અન્ય તમામ કુલેજમાં તથા બુલેટિન વિશ્વવિદ્યાલય પુષ્પ અભ્યાસ કરેલું.

કર વર્ષ કોલેજ એન્ડ વાર્ષિક પ્રકાશ "મુદ્રિત" વિશાળ અપોથેકા કરે છે. આ વિશ્વવિદ્યાલયે જરૂરી સામગ્રી અને મુલ્યાંકન આપવા માટે પ્રીક્ટિવ ડીઝેલ, અભ્યાસક્રમ સહી અને આપવા અપાવવા માટે નવી શિક્ષક શ્રાવણી આપવા છે. કોલેજ નેમને શિક્ષક અને અભ્યાસક્રમનું મુલ્યાંકન પૂરી થોડે સમય પહેલાં કરવામાં આવ્યું હતું. આપણે ક્લાસરૂમ અપરેટિંગ સ્ટાફ એન્ડ એન્ડોર્સમેન્ટ એન્ડ ટીચિંગ સ્ટાફના સહયોગ સાથે છે. કોલેજની અને મુલ્યાંકનના ઉત્કર્ષરૂપ સુધ્ધિ સારની થાઈલેન્ડ. કમ્પ્યુટર લેબોરેટરી, NSS, સર્વિસના પ્રશિક્ષણો અને નૃત્ય, યુગ્મ, યોગા સહી લેન્ડિંગ સ્ટાફ

પ્રાચીન ઇલિન વસેનો સમયનો પણ છે. એવાદ નહિ મેનેગરનું સહકાર પ્રોગ્રામના વિદ્યાર્થીઓ માટે કાર્ગિયા, લો, ઇન્ડોપોલિસ, આંકરિંગ, બેનકર મેનેગરનું, માઈટિસ, આંકરિંગ મેનેગરનું, ઓર્ગનાઈઝેશન ટેકનિકલ જ્ઞાન કોલેસિયા સમયનો થાય છે. તેઓ ઉપરએકસન પ્રોજેક્ટ પ્રેક્ટિસના આથી રચાય છે.

ઈન્ડોપોલિસ વિદિટ પ્રેક્ટિસ એકસપ્રેક્ટેડ કાર્ય તેમને કિશ્ક આપવામાં આવે છે, આ પ્રોગ્રામ થકી વિદ્યાર્થીઓને વિદ્યાર્થી કંપનીઓ તથા કાર્ગિયાલિય ઇન્ફ્રાસ્ટ્રક્ચર, બેનિંગ, ઇમ્પોર્ટ-એક્સપોર્ટ ડિપેન્ડેન્સ અને ડિનિયામાં સારી કોમ્પર્ટનેસ તો થાય છે. ઇમ્પોર્ટ-એક્સપોર્ટ ટેક્સટમાં વિદ્યાર્થીઓ પોતાનું ખજાનાઓ અને શરૂ કરી શકે છે.

એકસર ડી બેનિંગ એસ (બેનિંગરન પ્રોગ્રામ થકી વિદ્યાર્થીઓને બેનિંગ અને કાર્ગિયાના લેખના માથા મળે, ઉપરાંત તેઓ કાર્ગિયાના માઈટિસ ટેક્સ્ટના, ઇન્ટરનેશનલ કિલ્લેટ ગયા લેખમાં પણ શ્રેષ્ઠ પનાયે છે.

કોલેજમાં ગુજુ ગયા ડિઝી પ્રોગ્રામ નો થાય ન છે, સામે બુનિફાઈટ એક મુજબ સામે સંભાન ડિવાઈસ કાંઈ પણ ઉપયોગ નો.

આ કોલેજમાં ૧૨મી પક્ષ વિદ્યાર્થીઓ માટે રૂડો એનું ટ્રાસ મેનેગરનું નો વર્ષનો ડિવાઈસ કાંઈ ઉપયોગ નો, તે ૧૨મી પક્ષ વિદ્યાર્થીઓ માટે કોલેજમાં ડિઝી મેનેગરનું ટ્રાસેલ રૂડો મેનેગરનું, કોર્સન ટ્રાસ મેનેગરનું અને ટ્રાસ પ્રોજેક્ટ એન પ્રોજેક્ટ વર્ષને રૂડો થાય છે. વિદ્યાર્થીઓ તેમની અનુભૂતિ મુજબ અને વર્ષનો ક્રીકીટકેલ રૂડો અને વર્ષનો ડિવાઈસ કાંઈ રૂડો થાયે શરૂ વર્ષનો એક્સપ્રેસ ડિવાઈસ કાંઈ રૂડો થાયે છે. રૂડો પક્ષને કોલેજ ડિવાઈસ મેનેગરનું, એક્સપ્રેસ આંકરિંગ અને ઇન્કોર્પોરે ગયા રૂડોમાં નિશ્ચાયે રૂડો થાયે વર્ષની માત્ર પર પણ વિવાદ રૂડો કરી શકે છે.

આ રૂડોમાં રૂડો સુજ્ઞ મારે કાર્ગિયાના તમા પ્રાપ્ત કરવા માટે એક્સપ્રેસ (ફાઈનલ મેનેગરનું), એક્સપ્રેસ (ઈન્કોર્પોરે) અને એક્સપ્રેસ (મેક્સિમલ નાઈટીસી) ગયા પોસ્ટ કોલેજનું પ્રોગ્રામ શરૂ થાયે છે.

આ કોલેજમાં વિદ્યાર્થીઓ માટે ગ્રાંથ ટેકનીક સુધિયા પણ ઉપલબ્ધ છે, જેમાં કિશ્ક સામે રોજાનીની તમા પુરી કાર્ગિયામાં આવે છે. વર્ષ ૨૦૨૨ અને ૨૦૨૩માં પણ વિદ્યાર્થીઓ માટે આશ રોજાના થયેનું આયોજન કરવામાં આવ્યું હતું, જેમાં ટપ કાર્ગિયાનો પોસ્ટમેન માટે થયેલ હતો અને ૨૦૨૦ વિદ્યાર્થીઓને એમ પણ શીખી હતો.

આ કોલેજમાંથી કોલેજનું કિશ્ક વિદ્યાર્થીઓ કાર્ગિયા માટે ઉપયોગમાં પ્રવિણતા થયે પર કાર્ગિયે અને સમયમાં કલકત અને એનિમિયર તરીકે પણ સેવા આપી શકે છે.

JOB PLACEMENTS

For any Candidate or Student, Placement is the ultimate goal of pursuing a Degree or Qualification, apart from education & knowledge. At RMC we have not left a single stone unturned in regards to placing the candidates in Internship or Full time Jobs from time to time in reputed organisations.

This year, it has been a booming period for us in terms of tie ups with the industry & various Corporates. We aspire to do a lot more of it in the coming years.

Placement Partners (2021-2022)
