

FOUNDER'S DAY CELEBRATION

Reena Mehta College of Arts, Science, Commerce and Management Studies celebrated Founder's day on 16th September 2022. Everyone was filled with enthusiasm for this day and gave their best wishes to our graceful founder Mrs. Reena Mehta Ma'am. The guests, staff and students welcomed Reena Ma'am by showering flowers. It was a delightful spectacle to witness. Post arrival the very first thing that Ma'am did was praying to Goddess Saraswati by lighting the lamp. She then went on to thank everyone for their affection and expressed gratitude. She filled everyone present on campus with inspiration and positive vibes. Then began colorful cultural performances that were in honor of our Founder and Chairperson. It was followed by the cake cutting ceremony. A token of love was then presented by the staff in appreciation of her passion towards the field of education and the wonderful work that she had done. The eventful day was concluded with a formal vote of thanks followed by a rendition of the National Anthem.

Many leaders, professionals and friends lined up to greet Ma'am throughout the day. Her popularity and reach had been increasing with each passing day.

CANCER AWARENESS SESSION

Cancer is a silent epidemic that is seeping throughout the world. The cases of a variety of cancer are rising at an alarming rate. The World Health Organisation has found out that Cancer is the second leading cause of death globally, accounting for an estimated 9.6 million deaths, or one in six deaths, in 2018. Lung, prostate, colorectal, stomach and liver cancer are the most common types of cancer in men, while breast, colorectal, lung, cervical and thyroid cancer are the most common among women.

The avenues for treatment are rare, the cost involved is high and the outcome is uncertain. This makes cancer not just a physical disease but also an economical disaster for the patient and their loved ones. As the survival rate is low It is an emotional tragedy too. In the given conditions. Precaution is the only cure.

To raise awareness and caution female students about the dangers of cancer, Women Development Cell of Reena Mehta College organised a Cancer Awareness session on 15th September 2022.. The lecture was delivered by Dr Pratiksha Gupta (BAMS) from Sarthak Hospital (Virar). The students were informed about the dangers of cancer, their reasons, precautionary measures, self-diagnosis method and first-line response in case of suspicion or detection. Students responded to this session with sensitivity. The question-answer session that followed the lecture was eye opening. Dr Pratiksha Gupta answered all their queries gracefully. The event was managed by Mr Durgesh Gupta and Mrs Rinkle Solanki, members of the Women Development Cell. One hundred and seven students participated in the session.

AARAMBH

THE ILLUMINATION

Department of Management Studies of Reena Mehta College of Arts, Science, Commerce and Management Studies organized "Aarambh, The Illumination" on 15th September 2022. The initiative intended to explore the untapped entrepreneurship skills within students.

Students of SYBMS along with their mentors executed the event flawlessly. Students learnt the skills of planning, teamwork, budgeting and management through this program. Students also identified and implemented the techniques of advertising and marketing their products.

All the stalls received an enormous response, and the products sold out in no time. Students enjoyed selling mouth-watering dishes, confectionaries and accessories. They enjoyed the experience of creation, gained entrepreneurial taste and earned handsome profits too. Aarambh's aim to spark entrepreneurial temperament within students was achieved through this event.

NEVER SAY

DIE!

'FINANCE FANATICS' a club of BAF and BBI department of Reena Mehta College of Arts, Science, Commerce and Management Studies conducted a Suicide Awareness Session on 10th September 2022 on account of 'Suicide Prevention Day'. The students presented an act for creating awareness on this topic. The main objective of the program was to explain the difference between physical and mental health and learn to seek help by talking it out during times of stress and difficulties.

In order to further inform the students on ways of handling challenges in life, a motivational video was shown which led to a discussion on importance of seeking timely help including counselling. The initiative taken by BAF and BBI department is worth appreciating which gave an open platform to students to start talking and addressing their worries.

AWARENESS SESSION ON CYBER SECURITY

The world is moving online and we don't have many options. We too must become part of this new digital world. This world is attractive and inviting. Although the technology-driven world is full of opportunities and ease It has its own dangers and we ought to make ourselves safe. On 12th September 2022, the Department of Information Technology and Data Science along with the Department of Arts, Mass Media and Communication Skills of Reena Mehta College organised a webinar on 'Cyber Security' The guest speaker Adv. Sanjeet Mishra shared ways of safeguarding ourselves from the dangers of the virtual world along with the various career opportunities in the field as a cybersecurity expert. Adv. Mishra engaged the attendees throughout the session by citing various examples and case studies.

SERVICE TO THE SENIOR CITIZENS

Second year students of B. Com., B.A. and B.Sc. of Reena Mehta College visited an old age home, Supreme Soul - Rajashram at Dongri, Bhyandar as a part of their Foundation Course project, on Saturday, 17th September 2022. 43 students accompanying 2 staff of the RMC degree college, Ms Harshali Patil and Mr Frank Remedios, were greeted by Mr Jayesh Suthar, a representative of the Old Age Home who gave a brief description of the home and those residing there. The inmates were very hospitable and friendly, and they welcomed us with their beautiful smiles. Though the students were prepared and had carried a few game activities, for the old people, they soon realized all that the elderly needed was a little understanding, a sympathetic ear to listen to their stories, company of their loved ones and some amount of care. Initially students thought that people over there would be experiencing a hard life. But the environment was a bit different than expected. but they looked happy however the pain of not being able to live with their dear ones was evident.

After spending the day at the old age home, students love for their family, particularly their grandparents grew stronger and deeper. The elderly blessed the students and teachers and expressed their gratitude for paying them a visit.

SHORT INDUSTRIAL VISIT

For a fruitful learning it is quite important that one has theoretical and practical knowledge, and industrial exposure. We at RMC understand this thoroughly. We ensure that the theoretical part is met via qualitative multi-method lectures. Necessary practicals are conducted on regular basis. To deal with the industrial exposure part the college ensures to take two Industrial Visits every year. One short IV and one long IV. This is in addition to the other departmental field excursions that are regular exercise at RMC.

On 30th September 2022 Reena Mehta College of Arts, Science Commerce and Management Studies took interested students from all the streams to short duration industrial visit. During this short excursion the students were taken to Om Trade Links and SRP Print and Pack Substrates, where-in they learnt about various processes of paper recycling, cutting and printing industry.

Post this visit the students also were taken to Great Escape Water Park. Total one hundred and six students participated in the excursion.

CELEBRATIONS OF CULTURE

GARBA CELEBRATION

GANESH UTSAV

BY Shridayal Yadav

Reena Mehta College of Arts, Science, Commerce and Management Studies celebrated Navaratri and organised Garba Raas on 27th September 2022 for the entire college. Navratri is one of the most awaited festival of the year. It is the case especially for the college students who look forward to celebrate Garba with their collegemates. The celebration began with Aarti of Goddess Durga. After the prayer, Garba performances started with zeal and enthusiasm. Students were present in immense numbers with vigour and enthusiasm.

Navaratri shows us the great diversity of India and its culture. Everyone from the management to the students and staff participated in Garba. Best three of the dancers and three participants in traditional costumes were awarded and were given gifts by the management. Colorful costumes combined with the excitement of dancing to Garba folk songs made the entire day extremely successful and fruitful.

BY Shridayal Yadav

On 06/09/2022 Ganesh Chaturthi, Utsav celebrated on Reena Mehta college of Arts , Science , Commerce & Management Studies . Every year, We celebrate this festival with great passion and devotion.

With the chant of Sanskrit shlok “ Vakratunda mahakaya ” the prayer of lord Ganesh was started . The whole stage was beautifully aligned with bright lamps and lights along with magnificent flowers. The aroma of the flowers along with the fragrance of the incense sticks filled the environment with peace and positivity. College staff & all stream students participate in this utsav intending to bring happiness, contentment, positivity, entertainment, refreshment and fun all together by uniting among themselves.

The Visionary Prime Minister of India

By Manvi Mehta

Reena Mehta College of Arts, Science, Commerce and Management Studies organised an Exhibition on “The Visionary Prime Minister of India” for all the students, parents, teaching staff, non teaching staff and local residents on 28th September 2022. This event was organised in order to bring attention to the schemes and developments implemented by the current government under Modi Ji's leadership in the last eight years. The event marked the birth anniversary of our beloved Prime Minister. The program started with the prayer at 9:00 AM and continued till late afternoon. The Management, the Principal, Head of the departments, faculty members, non-teaching staff, students, parents, localites and special guests were present for the exhibition. Students from every department participated in this event, and the exhibition was open to all the citizens. Students presented different initiatives and achievements of current regime by use of models, Posters, and designs. Few related themes were Agricultural Schemes, Development and initiatives in Science and Technology, Infrastructure, Space Technology, Finance and Economics etc. Honourable Guests like former minister Mr. Kripashankar Singh, Adv. Ravi Vyas and other social workers, beurocrats and politicians came to see the exhibition.

The event concluded with Reena Ma'am's vote of thanks and appreciation. All visitors appreciated the event and student work.

ACHIEVEMENT

We take enormous pride to inform you that our beloved principal has added one more feather to her hat. The University of Mumbai has now officially appointed our honourable principal Dr. Satinder Kaur Gujral as the course writer for the BMS programmes. Ma'am constantly keeps us inspired by her work and enthusiasm. We are forever grateful for her presence by our side and her invaluable guidance.

Commodity and Derivatives Market

With an intention to create investor awareness and educate students regarding the basics of the Stock Market the BBI and BAF department of Reena Mehta College of Arts, Science, Commerce and Management Studies organised a session on "Commodity and Derivatives Market". The event was organised in collaboration with the BMS department on 8th September 2022. Investor Training Program bridges the gap between the classroom and the financial workplace.

The interaction stressed the spreading of financial literacy among students via a practical approach. The speaker for the event was Mr. Amogh Gothoskar from the Bombay Stock Exchange. He emphasised the concept of "Investing in yourself". He also explained the operations of commodity and derivatives in a simplified language by using multiple examples.

Har Ghar Hunar!

Careers in I. T.

Our beloved Prime Minister Mr Narendra Modi has propounded the idea of Har Ghar Hunar under the Skill India Campaign. The idea is that we must ensure that our citizens especially the younger generation should gain skill-based knowledge.

It is a known fact that the animation industry in India is booming. Today no movie gets completed without the use of Visual Effects. To expose students to the possibilities of this growing industry and making aware of high-paying careers BAMMC Department of Reena Mehta College of Arts, Science, Commerce and Management Studies organised a guest lecture on 24th September 2022. The event was organised in association with MAAC, one of the leading institutions in India.

The speaker for the event, Trupti Raut, introduced students to various career avenues in the industry. The initial step was to expose students to various job profiles and their key result areas. Later they were informed about the skills that are required to pursue these jobs. Overall it was a successful event that taught students about career options in animation, VFX, graphic designing and filmmaking.

Reena Mehta College of Arts, Commerce, Science and Management studies conducted an awareness session on Information technology on 13th August 2022. Mrs. Rinkle Solanki, HoD of Information Technology department . was the speaker for the session who began by creating awareness about the career options in today's IT world along with the basics for students with no IT background. Some of the topics covered during the session were:

1. Networks: LAN, WAN, MAN
2. Hardware and Software devices
3. Internet: Airtel, Vodafone, Jio
4. Ms-Office: Word, Excel, PowerPoint)
5. Programming Language
6. Data Science
7. Email

After the seminar students asked their queries to the speaker. Overall the session was informative and mind opening for the students, The Session was enriching for the students and it ended with an interaction between the resource person and the students.

PLACEMENT DRIVE

Epicenter

Placement Cell of Reena Mehta College of Arts, Science, Commerce, and Management Studies in association with "Epicenter" organised a placement drive on September 2022.

Mr. Samir Soni, Head of the operations' of Epicenter along with his team interviewed students who were excited to associate themselves with the organisation. Around 10 students were shortlisted for second round of interview and we wish them success for their further endeavors.

Airtel

Reena Mehta College of Arts, Commerce, Science and Management Studies in association with Airtel organised a placement drive for its students. In all 35 students participated from various streams. It was made sure that all the students get a fair chance to get interviewed by the company. Mr. Shubham, HR Head of Airtel began by briefing the students about the organisation, its expectations, job profile and the responsibility related to the job. He also shared about the growth opportunities available in the company for dedicated people. 10 students have been shortlisted for the second round of interview which will be conducted at Airtel premises.

Com Sparklers- Its time to shine!

Department of Commerce of Reena Mehta College organised a three-day Fest called Com Sparklers - Now is Your Chance to Shine from 22nd September to 24th September 2022. The event began with an inauguration by Trustee Ms. Falak Khan Ma'am and Dr. Satinder Kaur Gujral Ma'am, Principal of Degree College. After seeking blessings from goddess Saraswati, felicitation of our honourable guests took place. First session was a Seminar on Legal aspects conducted by Ms. Pooja Waghela and Mr. Frank Remedios where they spoke about career options in Law with a focus on online privacy, POSCO Act, and its legal procedures. Then the session on poster presentation was carried out on the topic of "India of my dreams" where participants portrayed India which is free of corruption, eco-friendly, reduced poverty, higher literacy rate, and all those positive visions which will make their dream turn into reality.

Second day began with a workshop on Stress Management conducted by the counsellor Ms. Ruchita Uchil, a clinical psychologist. Ms. Ruchita discussed the importance of taking care of mental health by managing stress and also made them understand how much it is important to reach out or ask for help in a difficult situation. Last but not the least was the Quiz Competition where 18 teams participated in 3 rounds on topics like commerce, current affairs and general knowledge. The third day was specially organized for the students to make learning fun which included management games consisting of 3 rounds namely Ice Breaker, Connection (Trust) & Balancing (Coordination). All together 437 students from 7 different colleges across Mumbai participated in three day's ComSparklers - Now is Your Chance to Shine and the students truly came forward during the entire fest and fulfilled the moto of – for the students and by the students. Students were also felicitated for their participation and efforts with medals and certificates.

TEACHERS' DAY CELEBRATION

Finnisters, the cultural committee of BAF & BBI Department of Reena Mehta College of Arts, Science, Commerce, and Management Studies organized Teacher's Day program on 5th September 2022.

Students decorated the classroom and welcomed all the faculties with great warmth. Each of the faculties were given a customised card and flower as a token of gratitude to show the acknowledgment and recognition of the hard work they put towards their development.

This day is dedicated to the teachers with a sense of respect, appreciation, encouragement, support and devotion towards students.

SHORT INDUSTRIAL EXCURSION

B. Com. Department of Reena Mehta College of Arts, Science, Commerce and Management Studies organised an Industrial Visit on 8th September, 2022 to Navneet Education Ltd which is a printing and publishing house based in Gherniwada village, Virar run by the Gala family since 1959.

Students were welcomed with a warm breakfast, after which the unit of 45 students was divided into 3 teams. These teams were taken for the visit where they shared in detail the information about how all the machines like colouring, printing, cutting, pasting work and the whole process from scratch to final products including the process of bookbinding. Students were taken on a tour of their 60 acres of land, printing department and all the units of local as well as export publication along with the warehouse.

During the visits, the students were also informed about the history, brands, product range and client base of Navneet publishing house.

After the visit, students were pleased to receive the export products with a great discount. For students, it was a great learning experience to see all the processes, and they gained priceless knowledge.
