The "Film Fiesta" event, organized for the students of FYBAMMC, was a memorable and enriching experience. The event aimed to provide students with the opportunity to attend the prestigious MAMI (Mumbai Academy of the Moving Image) Mumbai Film Festival, at offering them exposure to diverse cinematic experiences and a deeper understanding of the world of filmmaking.

Students embarked on an exciting journey to the Jio World: Nita Mukesh Ambani Cultural Centre as part of their educational trip for the Jio MAMI Mumbai Film Festival. Under the guidance of our respected Principal Ma'am, they were able to represent themselves as delegates. During this enlightening experience, they had the incredible opportunity to engage with a diverse array of people, from industry like Zee Studio, and Ramesh Sippy Academy of Cinema to promising independent & aspiring filmmakers and producers. The cultural centre, a hub of artistic expression, allowed students to explore various forms of art, expanding their creative horizons. As a special privilege, they received badges that granted them access to unlimited film screenings at the festival, opening doors to a world of cinematic brilliance. This immersion in the world of film ignited their passion for storytelling and sparked fresh, innovative ideas for future projects.

The "Film Fiesta" event, which took FYBAMMC students to the MAMI Mumbai Film Festival, was a resounding success. It provided students with an educational and cultural experience that expanded their horizons and inspired them to explore the world of cinema further. This event is a testament to our commitment to providing students with enriching opportunities beyond the classroom.

We look forward to organizing similar events in the future, continuing to enhance the educational journey of our students.
