Event Report

NAME OF THE ACTIVITY: GREEN CLUB

Name of the Programme: - TREE PLANTATION

Batch: - FY, SY, TY

Semester: - 1,2,3,4,5,6

Duration: - 3 HRS

Reena Mehta College, Bhayander west organized a tree plantation event on 11 July 2022. The main purpose was to complete the planting of 200 saplings as a part of the Environment Day celebrations. A special person Ms. Rashmi Joshi was invited to be the chief guest of this event and to help the college to promote the importance of planting trees. The tree planting program started around 11.00 a.m., just after the morning assembly. The first tree was planted by the principal of the college Dr Mrs. Satinder Kaur Gujral and the chief guest in the college campus. The students of different streams were given 25 saplings to plant in and around the college campus, and the remaining saplings were planted by the senior students of TY in the local areas around the College. After planting saplings, the chief guest gave a speech on why planting trees can prove to be beneficial for the environment. Her speech included subjects like how human beings get ample oxygen because of trees and how cutting down trees mercilessly has impacted the environment adversely. Her advised that if future generations wanted to enjoy Mother Earth's resources and privileges, then it's important that they plant and save trees. The principal ended the event with a vote of thanks and appreciated the chief guest and the students for their presence.

EVENT REPORT

NAME OF THE ACTIVITY: Village Visit – Survey for Unnat Bharat Abhiyan

Name of the Programme: - All

Batch: - 2022 -23

Semester: - II, IV, VI

Section:

Duration: - One Day

Unnat Bharat Abhiyan is inspired by the vision of transformational change in rural development processes by leveraging knowledge institutions to help build the architecture of an Inclusive India. Under UBA students of higher education visit villages and undertake creating awareness about persisting social problems such water storage, solar energy, sanitation, government schemes such as Swachh Bharat Abhiyan, Bachat gat, education for girls, women empowerment etc. Unnat Bharat Abhiyan, a flagship national program of Ministry of Human Resource Development (MHRD), Government of India and IIT Delhi has been designated to function as lead and coordinating organization for UBA activities in the country.

Ministry of Rural Development, Govt. of India and Ministry of Human Resource Development (MHRD) Govt. of India launched Unnat Bharat Abhiyan programme on 11th November, 2014 to implement the idea of Mahatma Gandhi about the villages and bring awareness about various schemes implemented by the Govt. of India for the benefit of villagers.

A survey was conducted on 04/02/2023 under Unnat Bharat Abhiyan (under MHRD) by students of Reena Mehta College, Mumbai. We had 57 students and about 10 faculty members participating voluntarily in the survey.

The college adopted five villages under UBA which were :

- 1 Ambode
- 2 Chimane
- 3 Hedavade
- 4 Tokare
- 5 Bhaiwali

Approximately 171 were surveyed form the entire 5 villages. The students were broken up in to 5 teams with 2 faculties accompanying them conducted the survey.

The teams went ahead with great enthusiasm to interact with the villagers, Gram Panchayat Members and conducted household survey and villagers survey regarding availability of toilets, drainage system, waste collection, composed pit, biogas plant. Also, our faculties and students conducted survey about awareness of Government schemes such as P.M. Jan Dhan Yojana, Sukanya Samridhi Yojana for girl child, Mudra Yojana about micro units, PM Jeevan Jyoti Insurance scheme, Atal pension yojana, Kaushal Vikas Yojana for skill development, Janani Suraksha Yojana for new mothers, Fasal Bima Yolana for crops, Kisan Credit Card, Krishi Sanchayi Yojana etc. We conducted the surveys as per the guidelines given by the UBA.

The Baseline survey form of included questions regarding the following amongst many other questions

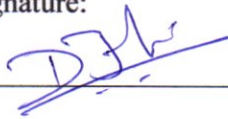

- Different schemes of government adopted by village people.
- Education & Literacy rate.
- Basic amenities available in the villages.
- Number of male and female individuals across different education levels
- School Going Children and adult literacy across caste groups
- Village infrastructure and services
- Source of Energy and Power

Faculty and students of our college are more enthusiastic and will be encouraged to be re-oriented and connected to the rural realities so that their learning and research work also becomes more relevant to the society. The further analysis of the survey threw up details about the major domains namely, human development and material (economic) development, which need to develop in an integrated way.

- Human development
 - Health
 - Education and Culture
 - Values
 - Skills and entrepreneurship
- Material (economic) development
 - Organic agriculture
 - Water management and conservation
 - Renewable energy sources
 - Artisan and rural industries
 - Development and harnessing of local natural resources
 - Basic amenities
 - E-support
