NAME OF THE ACTIVITY: Farewell Program

Name of the Programmes: - ALL

Batch: - 2022-23

Semester: - ALL

Section: -

Duration: - 04:00 Hours

On March 17th, 2023, Reena Mehta College conducted a farewell program for its final year undergraduate and postgraduate students. The program had three objectives: to celebrate the academic achievements of the students, to create a sense of closure as they prepared to leave the institution, and to build a sense of community among the students, faculty, and staff.

The program began with speeches from the college administration and faculty members, who praised the students for their hard work and dedication throughout their academic journey. The students were then recognized for their academic achievements and contributions to the community, and were presented with awards and certificates. The program also included activities such as photo booths, games, and music, which helped the students relax and enjoy themselves in a celebratory environment.

The program had three main outcomes. Firstly, it left the students with positive memories and feelings about their academic institution and their experiences there. They felt valued and appreciated, which fostered a sense of pride and loyalty towards their college. Secondly, the program facilitated networking and career opportunities for the students, as they had the chance to connect with alumni, faculty, and other professionals in their field. Finally, the program helped the students develop a sense of closure and readiness as they prepared to move on to the next phase of their lives. The activities and initiatives provided helped them process their emotions and experiences and feel ready to face new challenges.

Overall, the farewell program was a success and achieved its objectives. It left a lasting impression on the students, and helped them prepare for the next chapter of their lives with a sense of accomplishment and community support.
