Event Report

NAME OF THE ACTIVITY: Smart Girl Program for All girls

Name of the Programme: - Seminar on Women Health and Hygiene

Batch: - 2023-2024

Semester: - I, III & V

Section: - FY, SY & TY

Duration: - 4hrs

The P&G Health and Hygiene Seminar held on [Insert Date] at [Insert Location] was an insightful and engaging event that left a lasting impact on both students and staff members in attendance. The seminar was conducted to promote health and hygiene awareness among the participants and featured resource persons from P&G who interacted with the audience, providing valuable information and distributing free gifts.

Event Highlights:

- 1. Resource Person Interaction:** The seminar began with an introduction by the organizing team, welcoming the students and staff members to the event. Ms. Sangjukta Halder, Ms. Saishruti Ma'am, and Ms. Nidhi Ma'am, who were managing the event, introduced the resource persons from P&G. These experts shared their knowledge and insights on health and hygiene practices, including the benefits of using P&G products for personal care and well-being.
- 2. Menstrual Cup Distribution:** One of the significant highlights of the seminar was the distribution of free gifts containing menstrual cups to girl students and staff members. The resource persons discussed the importance of menstrual hygiene and the advantages of using menstrual cups, emphasizing sustainability and comfort. The distribution of these gifts aimed to empower the recipients with a sustainable and hygienic menstrual hygiene solution.
- 3. Interactive Sessions:** The seminar featured interactive sessions where participants had the opportunity to ask questions, seek clarifications, and engage in discussions with the resource persons. These sessions allowed for a deeper understanding of the topics covered and created a platform for open dialogue.

Outcomes:

The P&G Health and Hygiene Seminar achieved several positive outcomes:

- 1. Increased Awareness:** The seminar successfully raised awareness about the significance of health and hygiene practices, particularly menstrual hygiene, among the participants.

2. **Empowerment:** The distribution of menstrual cups empowered girl students and staff members with a sustainable and eco-friendly menstrual hygiene solution, promoting their well-being.
3. **Knowledge Enhancement:** Participants left the seminar with a greater understanding of P&G products' effectiveness and safety in promoting personal care and hygiene.

In conclusion, the P&G Health and Hygiene Seminar was a commendable initiative that contributed to the promotion of health and hygiene awareness. The interaction with resource persons and the distribution of menstrual cups were key highlights that left a positive impact on the attendees, empowering them with valuable knowledge and sustainable solutions. The event's success underscores the importance of such initiatives in promoting well-being and hygiene within the community.
