Event Report

NAME OF THE ACTIVITY - Green club Inauguration

Name of the Programme: - INAUGRATION PROGRAMME

Batch: All Semester: - 1 Section: Morning

Duration: - 1 HOUR

The inauguration of the Green Club in REENA MEHTA College was held on 9th October 2023, in the college auditorium. The event was attended by Principal, HOD's of different department, faculties and first year students of BAF & BMS.

The program began with the welcome speech by the Green Club Convener, who emphasized the importance of sustainable development and environmental protection. She encouraged students to take an active role in promoting green practices and reducing carbon footprint.

Green club inauguration was done by principal ma'am by lighting the lamp along with other HOD's. A short video was shown to students to create awareness among them related to environmental issues. The club aims to provide a platform for students to engage in environmental activities such as tree planting, waste management, and awareness campaigns. The students were then informed about their enrolment.

The event concluded with a pledge to work towards a greener future and a group photo of the Green Club members. It was an inspiring event that motivated students to take action to protect the environment and promote sustainable development.

In conclusion, the Green Club inauguration was a significant initiative towards promoting environmental responsibility and awareness. Going forward, the club intends to continue organizing activities, events, and awareness campaigns to promote eco-friendly practices in the college and the wider community.
