## Event Report

**NAME OF THE ACTIVITY: Celebration of Constitution Day**

**Name of the Programme: - ALL**

**BATCH: ALL**

**Semester: ALL**

**Section: ALL**

**Duration: 1 Hour**

This event marked the celebration of the foundation of our legal structure. The students acknowledge the contribution of Dr. Baba Saheb Ambedkar along with other great personalities for drafting the legal framework for our country after independence. National Constitution Day is celebrated on 25<sup>th</sup> November every year to mark the birth anniversary of Dr. Baba Saheb Ambedkar, India's first Law minister. This day is observed to honour the remarkable contributions of Dr. Baba Saheb Ambedkar in the field of law and order along with the institution building in the country. On 25<sup>th</sup> November 2023, NSS Unit of our college had organised an Speech Recitation Writing Competition on the Constitution Day. It was an absolutely amazing event where students from various departments came together to showcase their incredible verbal skills. The event was a true celebration of knowledge and the impact it can have on our lives.

### **Objective of the Activity:**

The primary objective of the competition was to make students aware of the importance of our Constitution and its value education in our lives, as well as contributions made by Dr. Baba Saheb Ambedkar

### **Conclusion**

The event taught the kids about the significance of Constitution Day and the efforts made by Dr. Babasaheb Ambedkar and other notable individuals who helped design the Indian constitution.

"It's always a Smart Idea to choose a more Original Topic."

This quote perfectly captures the essence of the competition and the role of technology in shaping a brighter future. National Education Day is celebrated on 11<sup>th</sup> November every year to mark the birth anniversary of Maulana Abul Kalam Azad, India's first education minister. This day is observed to honour the remarkable contributions of Maulana Azad in the field of education and institution building in the country. On 11th November 2023, NSS Unit of our college had organised an Essay Writing Competition on the National Education Day. It was an absolutely amazing event where students from various departments came together to showcase their incredible writing skills. The theme of the competition was "The Role of Technology in Enhancing Classroom Learning," and the essays were truly innovative. The event was a true celebration of knowledge and the impact it can have on our lives.

#### **Objective of the Activity:**

The primary objective of the competition was to educate college students the importance of education in our lives and contributions made by Maulana Abul Kalam Azad.

#### **Conclusion**

It enlightened the students about National Education Day and contributions made by Maulana Abul Kalam Azad in the field of Education.

#### **Regards**

**NAME OF THE ACTIVITY: Organ Donation Awareness Session**

**Name of the Programme: All      Batch: 2023-2024**

**Semester: I, III, V**

**Section: All**

**Duration: 1 HOUR**

## **Activity Report**

Health and Counselling Committee of Reena Mehta College in association with Indian Medical Association, Mira Bhayander branch carried out an Organ Donation Awareness Session for students of all streams on 29<sup>th</sup> August 2023. The session was carried out in college auditorium and the guest speaker for the session was Dr. Jagruti Ghosh, treasurer of IMA, Mira Bhayander branch. The speaker delivered all the vital information in an easy to comprehend manner. She simplified the medical concepts in-order to reach out to the students and convey the importance of organ donation. The session was geared towards sensitizing audience towards the possibility of organ donation and also to create awareness about increased risk of organ failures, along with ways of avoiding such conditions. Dr. Jagruti Ghosh pre-empted the questions that could arise in students mind and systematically answered the queries from a scientific perspective thereby focusing on adopting a more humanistic approach towards organ donation. It was truly an eye-opening session which enlightened the students via knowledge shared by the IMA team of Mira Bhayander branch.

**Regards**

### NOTICE

The Department of Humanity and Social Sciences is organizing a Poster Presentation activity on "THE REVOLUTIONARIES OF THE INDIAN FREEDOM MOVEMENT" on Monday, 23rd October 2023 for the students of FYBA History.

The students need to:

1. Choose a historical topic or figure that interests you.
2. Research and gather information on your chosen topic.
3. Design a captivating poster to showcase your findings.
4. Present your poster to your peers and faculty.

This activity aims to enhance your research skills and presentation abilities while exploring historical events and figures.

## ACTIVITY REPORT

**NAME OF THE ACTIVITY:** POSTER PRESENTATION ON THE REVOLUTIONARIES OF  
THE INDIAN FREEDOM MOVEMENT

**Name of the Programme:** Department of Humanities & Social Science

**Batch:** FYBA 2023-2024

**Semester:** Semester-I

**Section:**

**Duration:** 1 Hour

On 23rd October 2023, the students of First Year Bachelor of Arts (FYBA) in History participated in a Poster Making Activity as part of their academic curriculum. This activity was organized with the aim of fostering creativity, research skills, and a deeper understanding of historical events and figures.

The FYBA Poster Presentation activity was a successful endeavour that allowed students to delve into the world of history in a creative and engaging way. It promoted critical thinking, research skills, and effective presentation, all of which are essential for academic and personal development. The activity also emphasized the importance of visual communication and the power of historical narratives in poster format.

#### Report on Stress Management

The stress assessment workshop held by the college Health and Counseling department aimed to evaluate the stress levels of students across courses and equip them with coping strategies. Through interactive discussion, the stress assessment was conducted, and concluded with guided reflections along with a fun puzzle related with the types of effective ways to manage stressors. The Perceived Stress Scale was assessed and the scores helped the students to identify their stress levels. Furthermore, they were explained the impacts of stress on their well-being. Practical techniques like deep breathing and mindfulness were introduced to facilitate stress management. Information about campus counseling services and peer support emphasized help-seeking behavior. The puzzle was a fun activity to conclude the activity and left the students with a couple of do-able techniques in order to manage stress as well as lead to a healthy well-being.

The celebration was concluded with distribution of chocolates as a token of appreciation for the first two students to score the maximum number of words in the least amount of time.

Overall, the activity left a pivotal impact on the students and brought a delightful insight about stress and its management.

**Regards**

# Perceived Stress Scale

A more precise measure of personal stress can be determined by using a variety of instruments that have been designed to help measure individual stress levels. The first of these is called the **Perceived Stress Scale**.

The Perceived Stress Scale (PSS) is a classic stress assessment instrument. The tool, while originally developed in 1983, remains a popular choice for helping us understand how different situations affect our feelings and our perceived stress. The questions in this scale ask about your feelings and thoughts during the last month. In each case, you will be asked to indicate how often you felt or thought a certain way. Although some of the questions are similar, there are differences between them and you should treat each one as a separate question. The best approach is to answer fairly quickly. That is, don't try to count up the number of times you felt a particular way; rather indicate the alternative that seems like a reasonable estimate.

For each question choose from the following alternatives:

0 - never    1 - almost never    2 - sometimes    3 - fairly often    4 - very often

- \_\_\_\_\_ 1. In the last month, how often have you been upset because of something that happened unexpectedly?
- \_\_\_\_\_ 2. In the last month, how often have you felt that you were unable to control the important things in your life?
- \_\_\_\_\_ 3. In the last month, how often have you felt nervous and stressed?
- \_\_\_\_\_ 4. In the last month, how often have you felt confident about your ability to handle your personal problems?
- \_\_\_\_\_ 5. In the last month, how often have you felt that things were going your way?
- \_\_\_\_\_ 6. In the last month, how often have you found that you could not cope with all the things that you had to do?
- \_\_\_\_\_ 7. In the last month, how often have you been able to control irritations in your life?
- \_\_\_\_\_ 8. In the last month, how often have you felt that you were on top of things?
- \_\_\_\_\_ 9. In the last month, how often have you been angered because of things that happened that were outside of your control?
- \_\_\_\_\_ 10. In the last month, how often have you felt difficulties were piling up so high that you could not overcome them?

**Report - "Embrace Life"**

"Suicide Awareness Day, observed on September 10th, promotes mental health awareness and prevention. The program "Embrace Life" was in respect to the observed day that was conducted on 18<sup>th</sup> September 2023 at 9:30 a.m. in the college auditorium.

There was a short film played with respect to the beauty of life and its struggles that left everyone with immense hope. Further, the students shared a few inspirational stories about pioneers who have faced certain adversities in life. Lastly, there was an empowering poem narrated by the students that motivated everyone to inculcate resilience and hope for all that life comes with. To conclude, there was a game of building a pyramid using the boxes with positive and negative words written on them. Overall, the objective of inculcating a sense of sensitivity, awareness, and hope toward embracing life was accomplished.

## Event Report

### NAME OF THE ACTIVITY - EXPERT LECTURE

Name of the Programme: - **WASTE MANGEMENT IN WATER BODIES**

Batch: FYBMS/FYBAF

Semester: - **II**

Section: **Morning Batch**

Duration: - **1 HOUR**

Waste management in water bodies is a critical issue that requires attention from all sectors, including educational institutions. This report aims to provide an overview of a waste management activity conducted in our college to raise awareness and promote responsible waste disposal practices specifically targeting water bodies.

#### Objective of the Activity:

The primary objective of the activity was to educate college students about the impact of waste on water bodies and in still a sense of responsibility towards preserving the environment. The activity aimed to highlight the importance of proper waste management and provide practical solutions to minimize waste pollution in water bodies.

#### Activity Details:-

Expert lectures: Environmentalists Ms. Tapasaya Panicker was invited to deliver lecture on the impacts of waste pollution on water bodies. These sessions provided students with insights into real-life scenarios, case studies, and best practices in waste management. Students were encouraged to ask questions and engage in discussions to enhance their understanding.

#### Conclusion

The waste management activity conducted in our college effectively disseminated knowledge, promoted responsible waste disposal practices, and fostered a sense of environmental stewardship among students
